As we progress into the rigorous pace of modern society we tend to forget the events and experiences that we undergo. The trials and temptations which we will face in our quest for excellence make it easy for us to forget much of the instruction and guidance that we have received at University Military School. The high ideals that are taught us at U.M.S. must not be forgotten in the ever-changing future of our lives.

Therefore the theme of the 1967 "CADET" is the preservation of these memories during this wonderful year—1967—truly a year to remember.

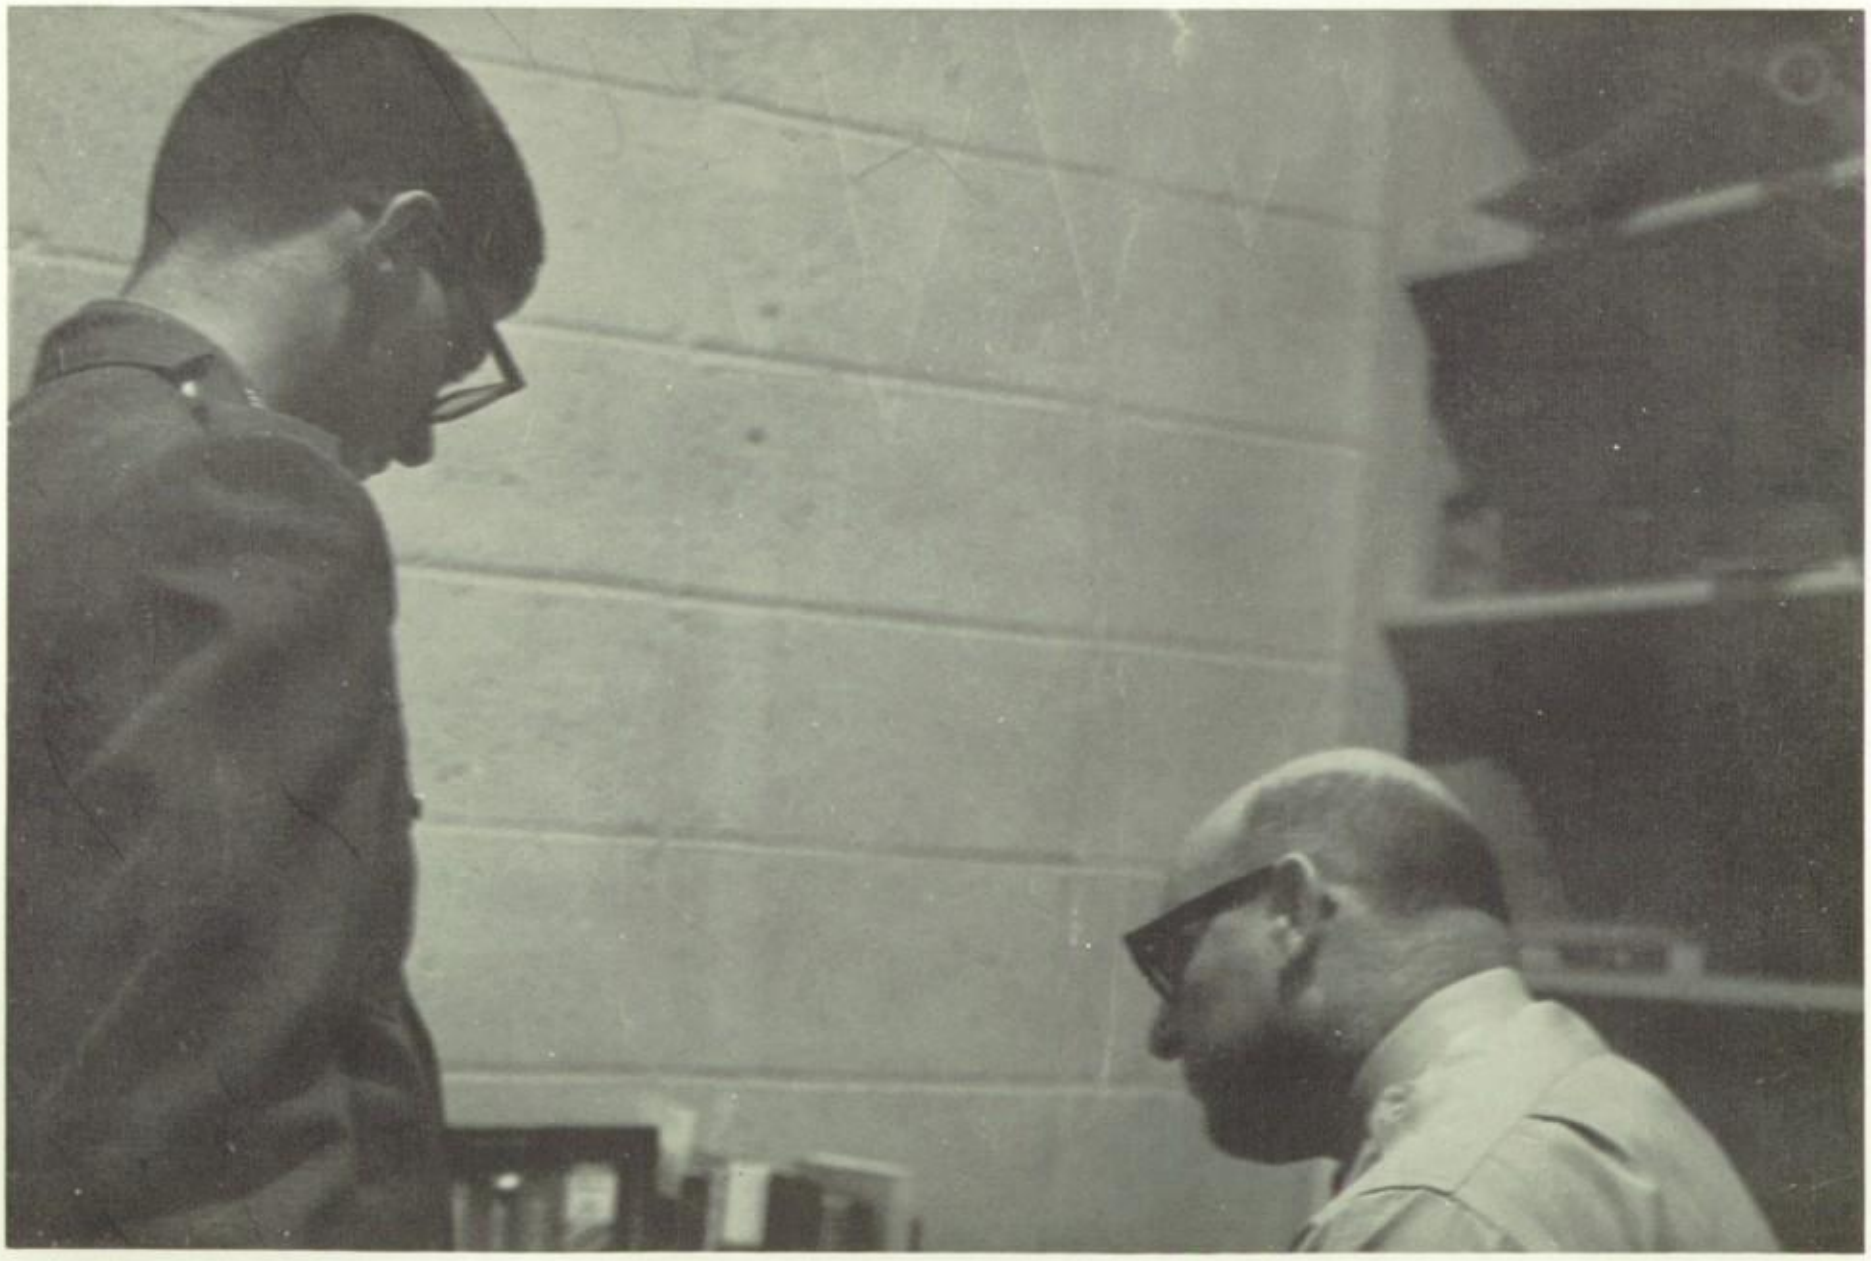
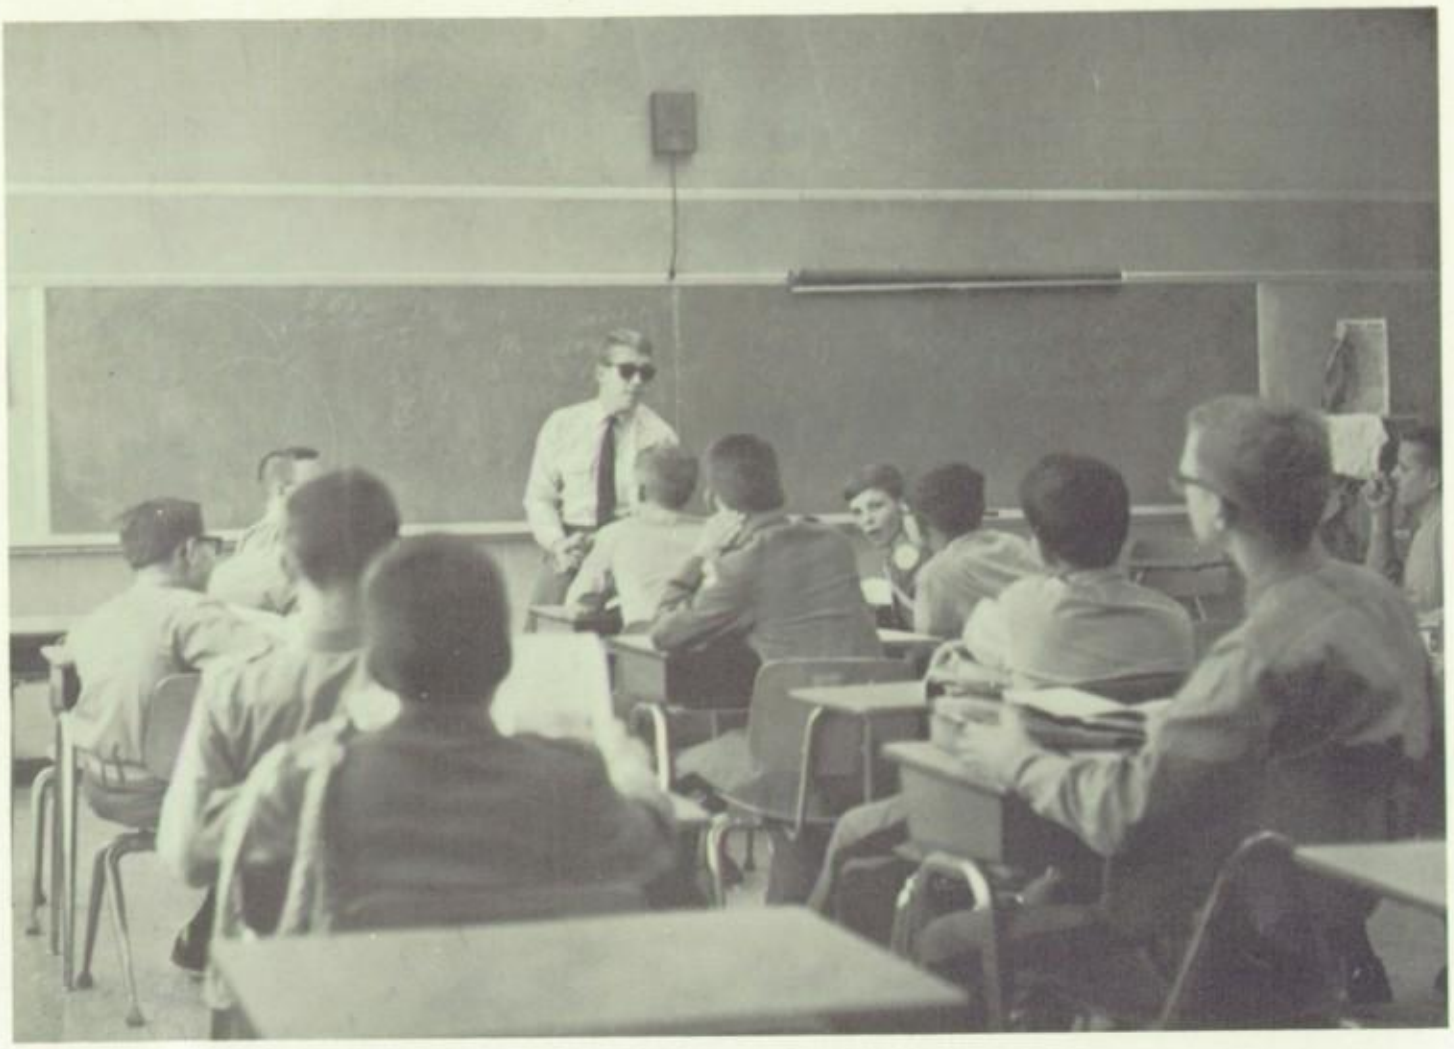
GUIDANCE

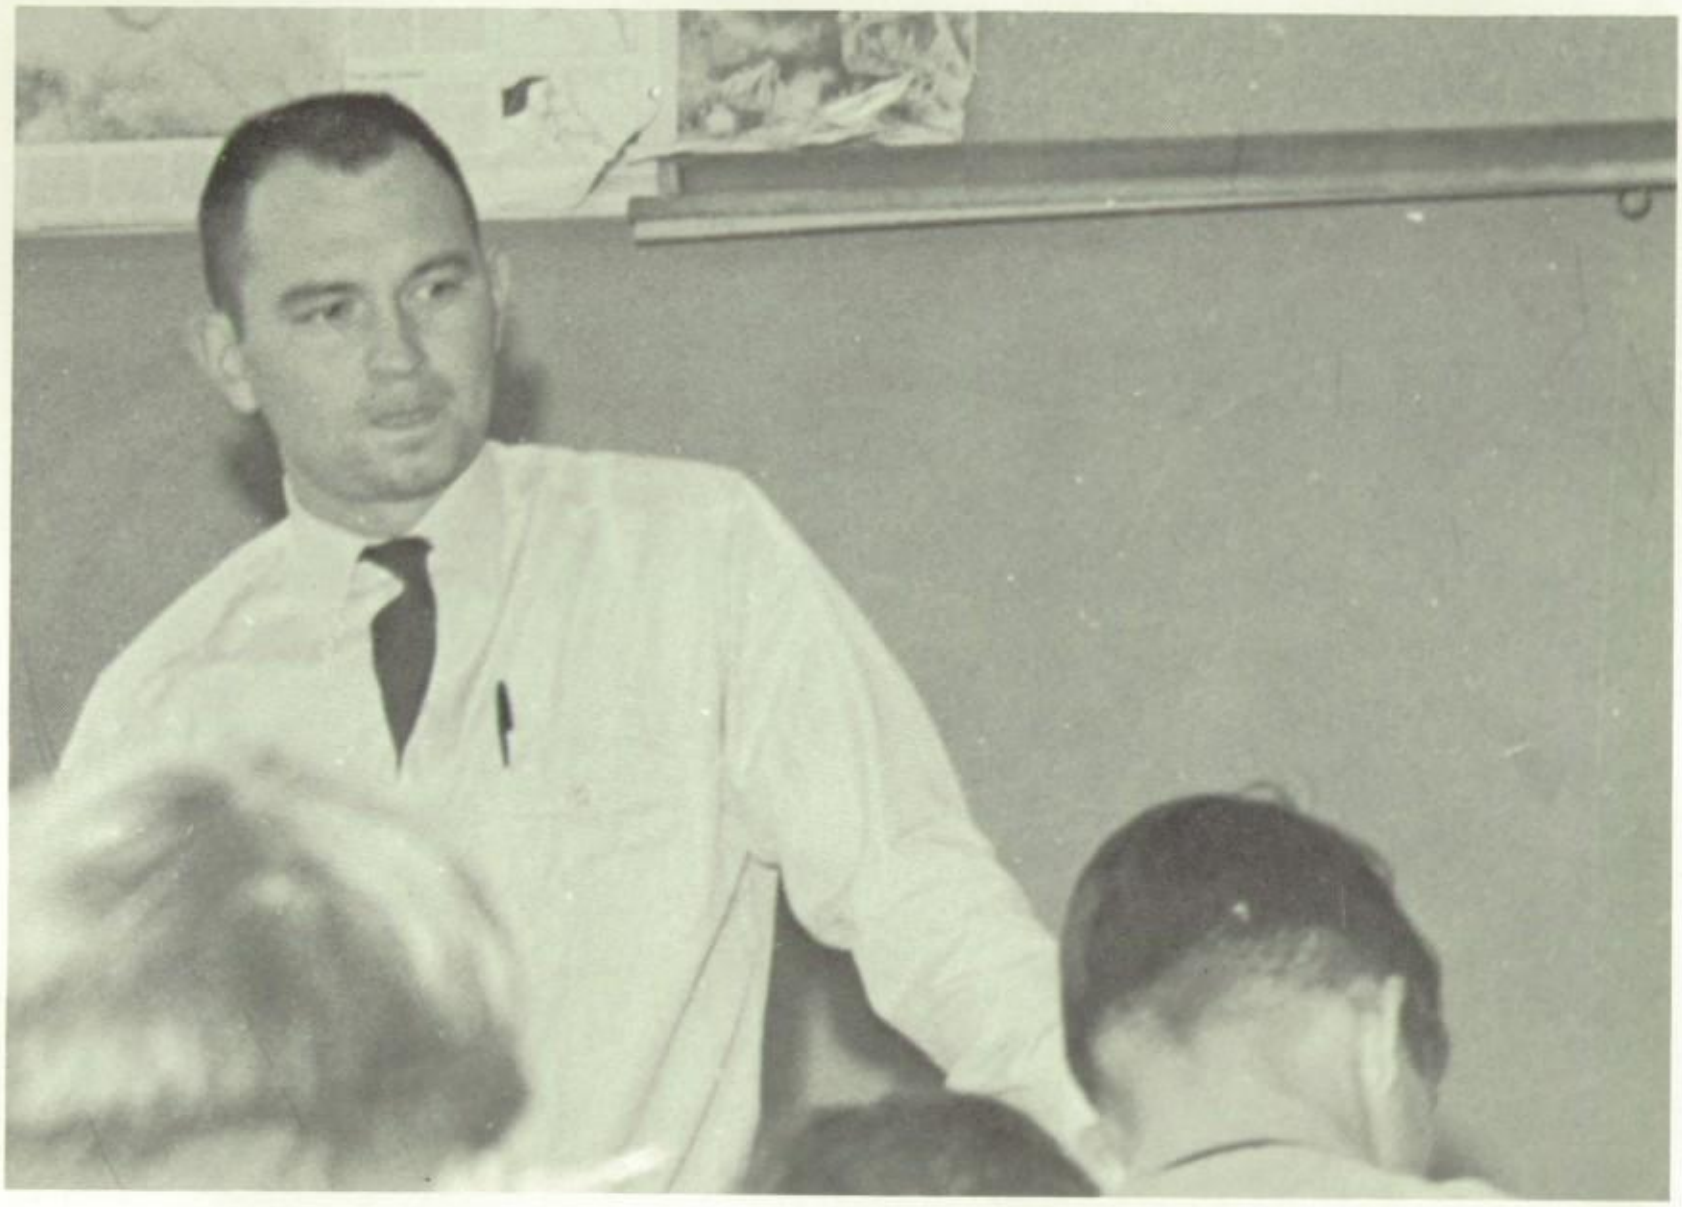




1967 has been a culmination of many educational and structural endeavors. It has been a year of happiness and sorrows, victories and defeats; but all encompassed with the highest ideals of a U.M.S. Cadet. It has been a year of learning from others through experience and instruction, for the purpose of shaping ourselves for a bright and competitive future.

1967 has played a large role in our lives and has truly served as a path to the future.

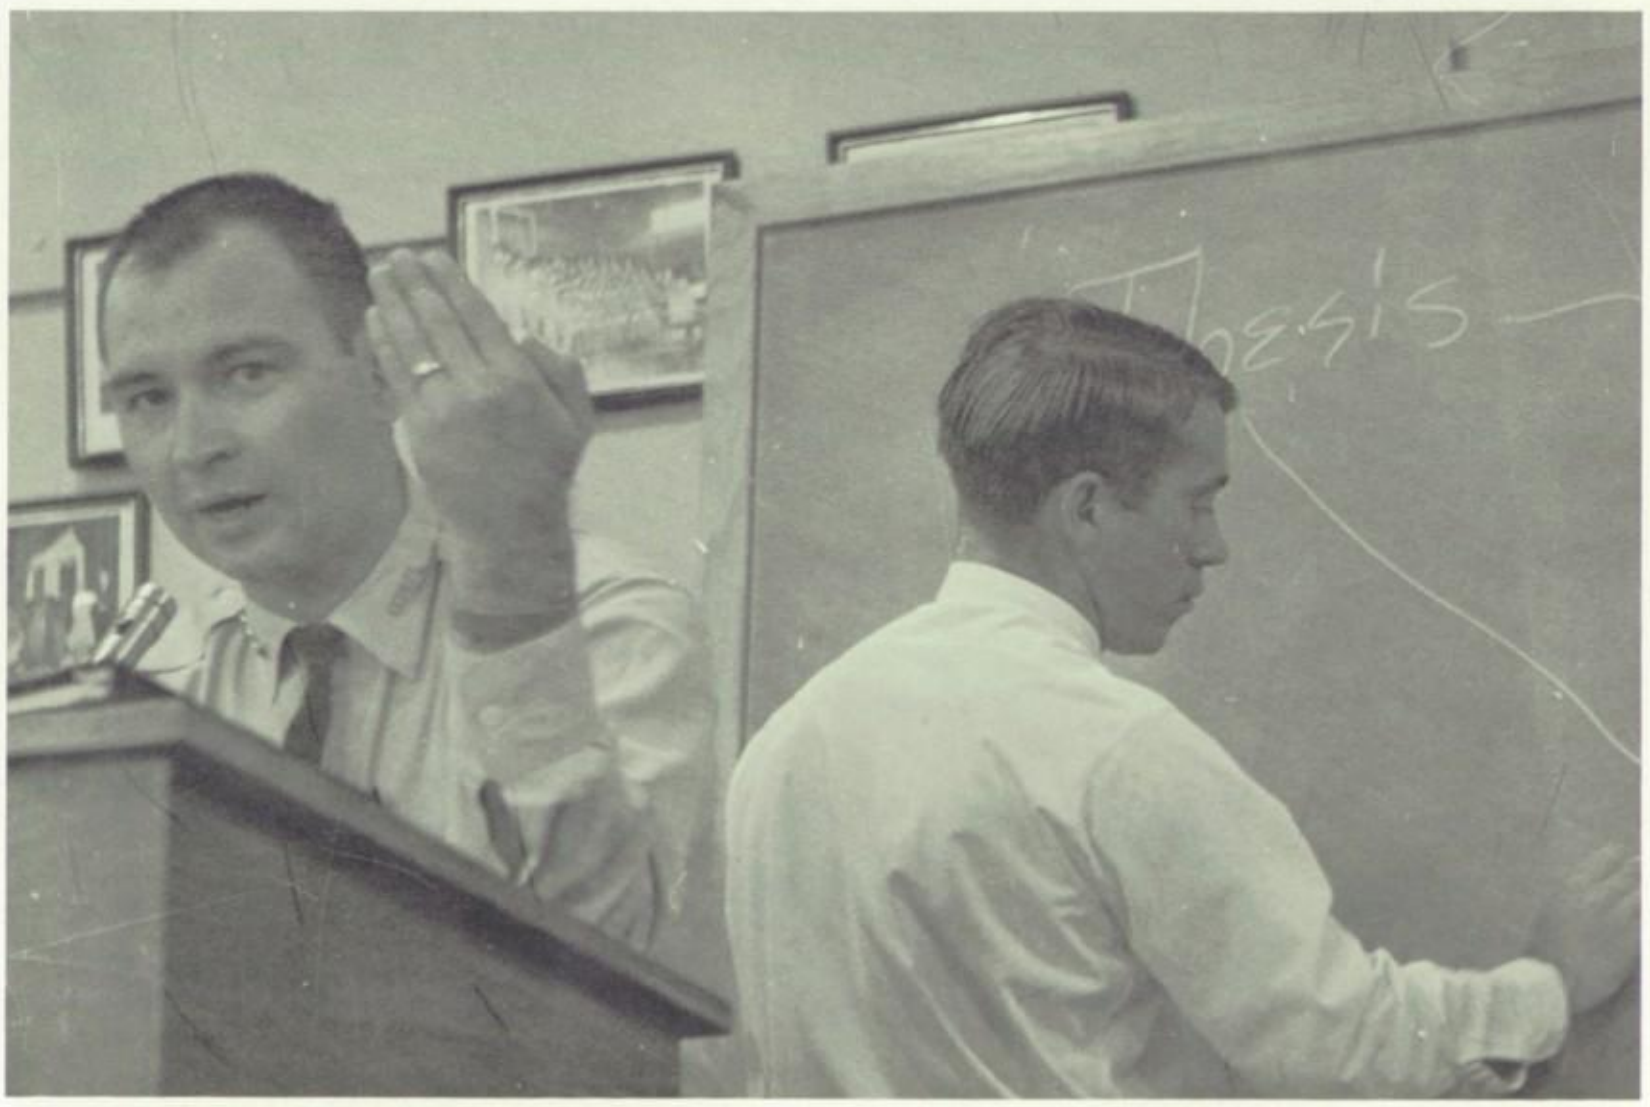
1967
DEDICATION



Major Ray M. Stacy—

For his interesting personality, his high ideals, his devoted sense of duty. For displaying a strong character in order to mold everyone with whom he comes in contact into a person of high goals and high ideals. For his overpowering strength of devotion, his friendly guidance, and his many hours and efforts given unselfishly to University Military School, we proudly dedicate this book.

For his strength of character and devotion to duty.



For his interesting personality, high ideals and friendly guidance.

CADET PRAYER

Dear Lord and Heavenly Father,
As we search for knowledge and wisdom,
Grant that we may not forget
That Thou are the Giver
Of all good and perfect gifts.
Teach us to play the game with honor,
In our work and in our play.
May our words and deeds be such
That those who were before us
Will not be ashamed,
And those who follow after
Will find in us
An example of truth and courage—
The spirit of our school.
Give to us a noble spirit
That we, with our teachers,
May go forward to achieve
The highest goals in life.
Bless our school,
And all who teach,
And all who learn.
And Thine be the honor
And glory forever.
Amen

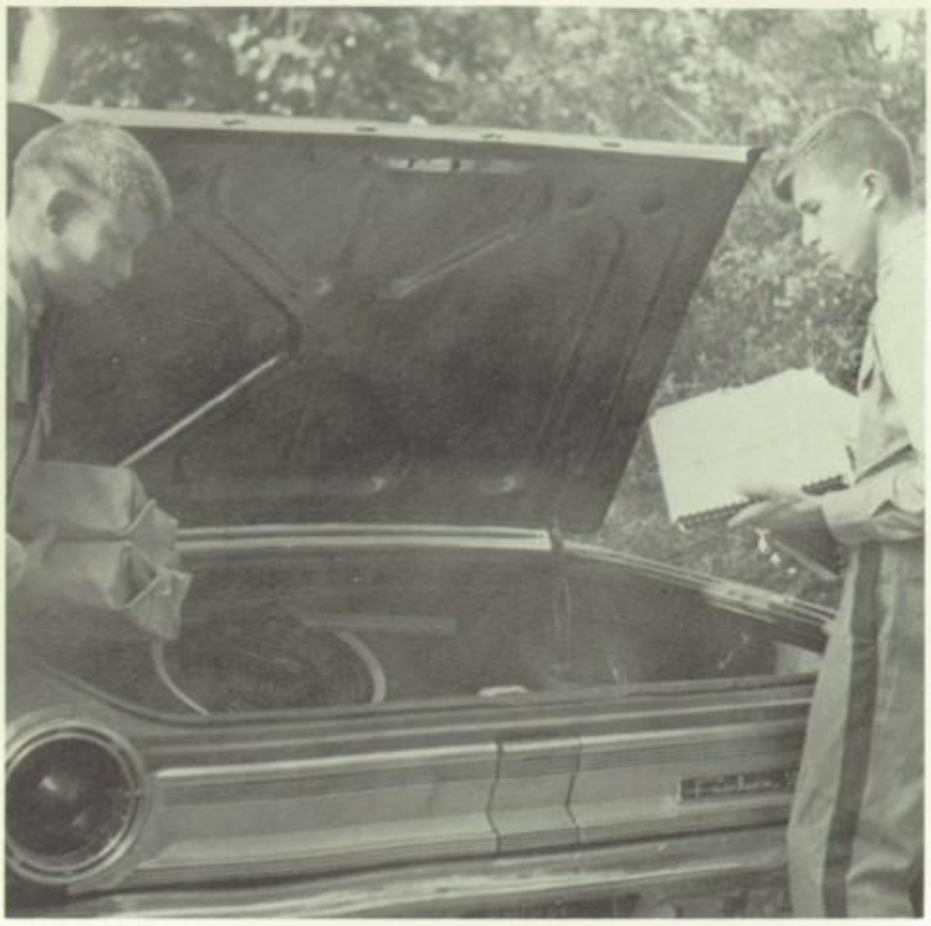
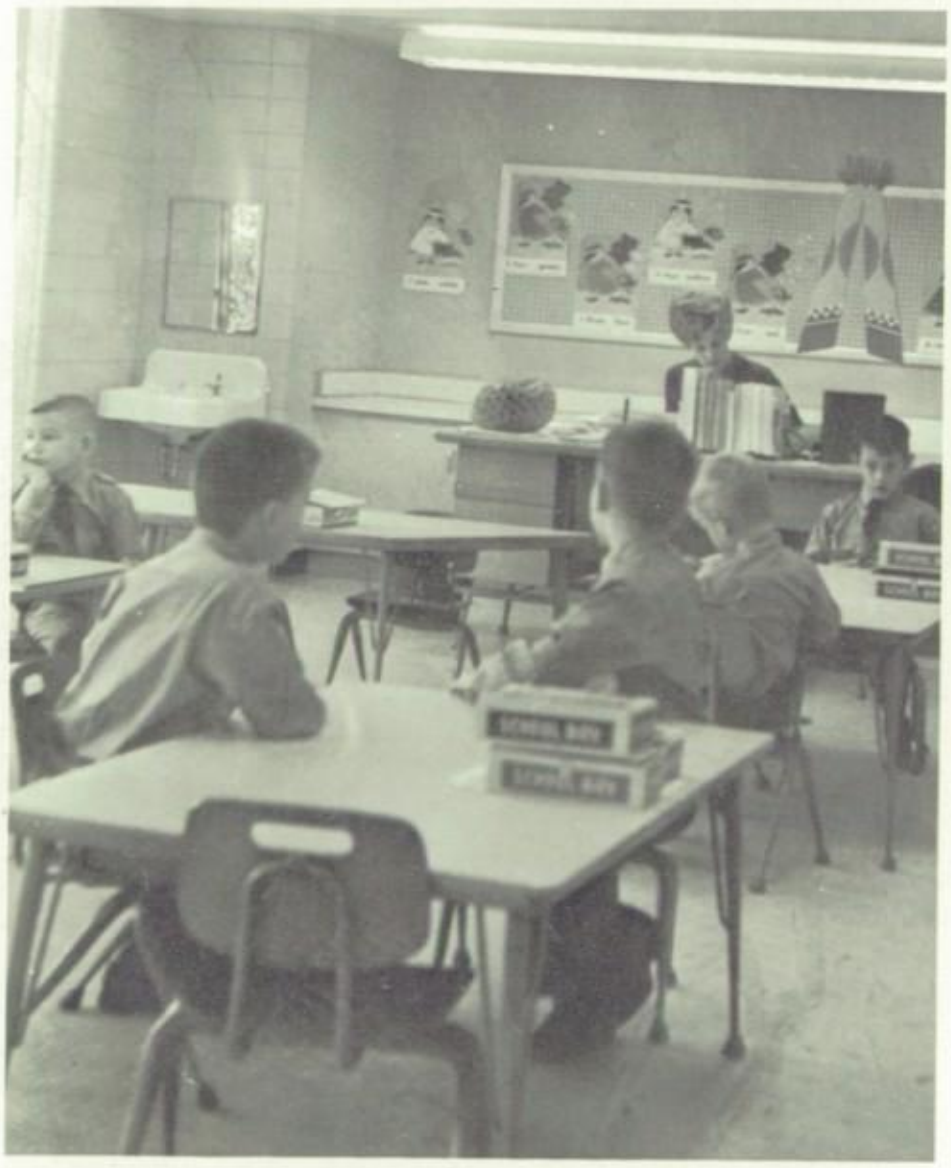
THE FEAR OF THE LORD
IS
THE BEGINNING OF WISDOM



U.M.S. has a number of student organizations that provide service to the school and community. Here two members of the Key Club prepare to distribute Mobile Symphony Calendars.

Here both the Cadet Chorus and the Band are shown at the Mobile International Trade Center before the opening program.

The football team gets a chance to play their part in the activity at U.M.S.



Col. Hanks meets with the parents of the elementary children on opening day.

ADMINISTRATIVE AND BUSINESS STAFFS

Colonel Thomas C. Huckabee

Colonel Thomas C. Huckabee was born in Uniontown, Alabama and attended Southwestern at Memphis and George Peabody College. He has taught in Arkansas, Georgia, Florida, and Alabama. He came to U.M.S. from the old Gulf Coast Military Academy in Mississippi. From 1946 to 1950 Colonel Huckabee was athletic director and assistant principal at U.M.S. In 1950 he became principal. He is now superintendent and serves to oversee all facets of the school program. He steers all department heads and acts as their consultant.

Colonel Huckabee is a member of the Mobile Rotary Club and enjoys hunting, golfing, and camelia-grafting. In previous years his hobbies have included taxidermy, photography, and furniture building. Colonel Huckabee's main interest in life is the development of University Military School.

Robert E. Hanks was born on November 24, 1919, in Frisco City, Alabama. He moved to Troy where he was graduated from high school in 1937. Colonel Hanks received a B.S. degree from Troy State College and obtained his major in history. After attending the Midshipmen School at Notre Dame for four months, he was commissioned. Upon the end of the war, he attended the University of Alabama where he got his Masters Degree in Physical Education and School Administration.

Colonel Hanks came to University Military School in August of 1946. He worked as coach until 1958 when he became Athletic Director. In 1959 he was promoted to the job of assistant superintendent.

Colonel Hanks is chairman of the faculty disciplinary board, member of the admissions committee, and works with academic problems. He is always available to help any teacher or student with any problem which concerns their academic work.

Colonel Hanks

Mr. Pfister

The Business Staff of University Military School is headed by Major Sherwood Pape, who is in charge of the financial affairs, sale of uniforms, and bookkeeping. As far as keeping the books, Major Pape is assisted by Mr. Carl Pfister and Mrs. Ed Sauls. Captain James Brown is in charge of the uniform supply store.

Captain Brown

Mrs. Hubert J. Grant is the administrative secretary. She works directly with Colonel Hanks and Colonel Huckabee. The registrar is in charge of all student records, enrollment, and registration. This post is filled by Mrs. W. H. Russ. The secretary of development activities is Mrs. James Dean. She is in charge of the development office and alumni activities.

ELEMENTARY

Major Moore

Now you've got it!

The main goal toward which all elementary activities are directed is to prepare young students for high school by providing a good academic foundation. Emphasis is placed on the basic tools: arithmetic, English, language skills, and reading.

These goals are best accomplished by securing the finest teachers and by offering a varied and effective curriculum. The boys receive special attention in aspects of education which are not covered in most other elementary schools. The program at U.M.S. holds an advantage in the following areas: drill and disciplinary instruction, organized physical education conducted by trained instructors, training in both vocal and instrumental music, and modern library facilities.

The elementary department of U.M.S. was the first to be certified in the state of Alabama by the Southern Association of Colleges and Schools. The compulsory requirements for obtaining this certification include high quality teachers, adequate classrooms, modern classrooms, supervision standards, and restricted numbers of students in each class.

The motivating force behind the success of the department has been Major F. D. Moore, Superintendent of Elementary Education at U.M.S. He holds A.B. and M.A. degrees and has continued his studies at Columbia University in New York.

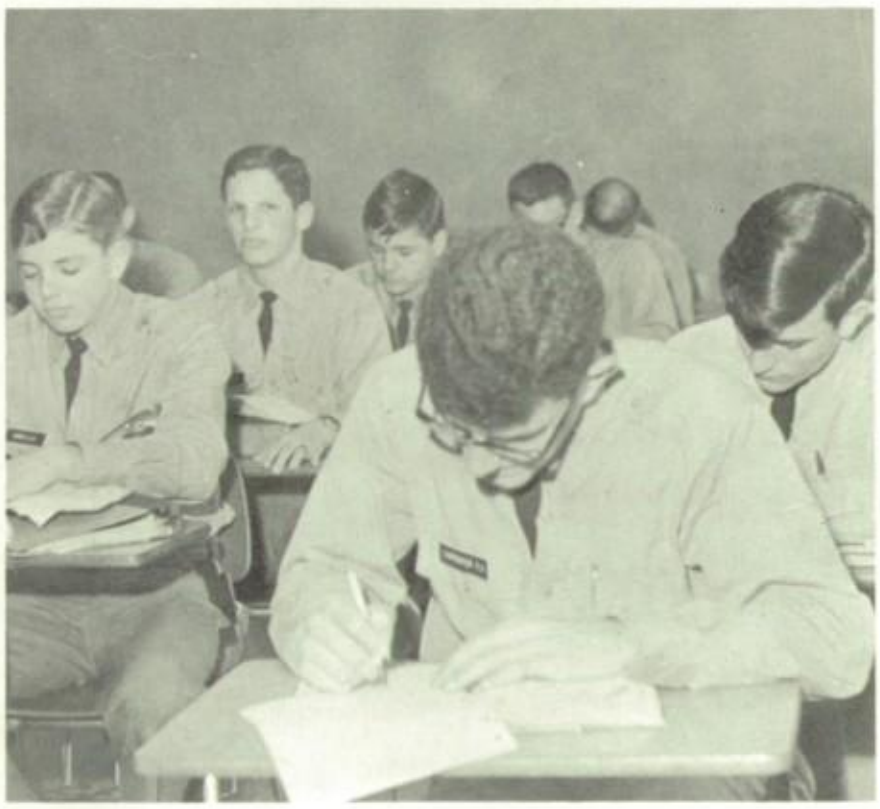
ENGLISH

Captain Dennis



Tenth graders work with grammar.

Students are anxious to improve their language skills.

Captain Wilkerson

The appreciation of the worthiest expression of the world's finest thinkers together with an understanding of the merits of the styles in which such expressions are embodied is the ultimate goal of the English Department at U.M.S. Before such can be fully realized, it is necessary that the U.M.S. student must be taught basic rules of grammar and rhetoric, and after being taught, he must put these rules into practice so that his education will be one of practice, and not just theory.

Having learned the rudiments of speech and composition, the U.M.S. student will be equipped to evaluate the concepts of literature as they are appreciable to his personality, from time to time altering his personality as a result of his contact with new ideologies. He will be able to express in an acceptable fashion those ideas which he holds to be of merit and wishes to correspond to his peers.

MATHEMATICS

Major Hinson

University Military School has two programs in mathematics. One program is the traditional mathematics program for pupils who do not intend to major in college in a course that requires more than the usual amount of general mathematics training. This program consists of two years of algebra, a year of geometry, and another of advanced algebra and trigonometry.

The other program in mathematics is intended for the pupil who will continue the study of mathematics or some related field. This program is an enriched one that will go beyond the subjects normally taught in a secondary school. In order to make this program possible, the students begin in the seventh grade where they study the usual eighth grade mathematics. The student progresses from Algebra I in the eighth grade to college algebra in his senior year. The second program is open to students only through an examination and by recommendation of the department.

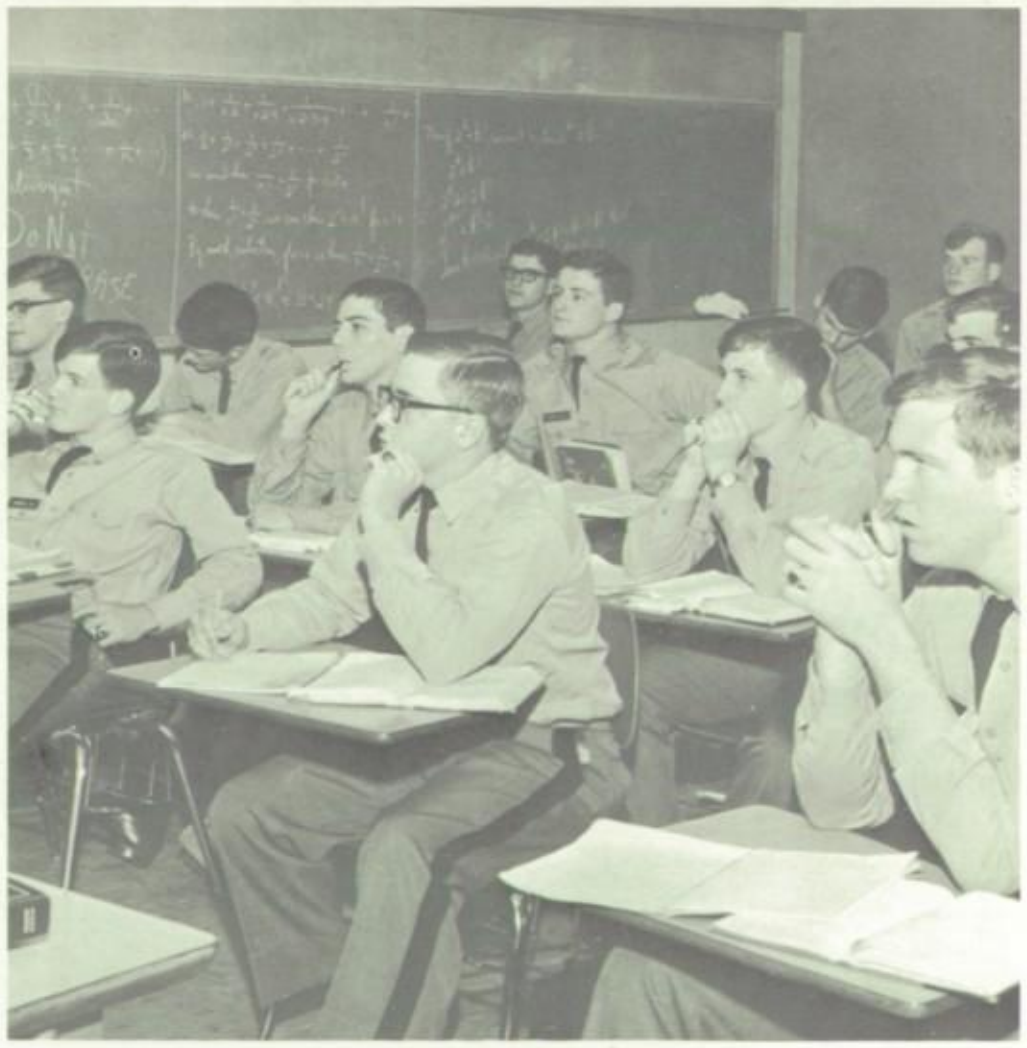
What an assignment!



SCIENCE

The science courses of University Military School are designed to provide a foundation for the continued study of science. The courses give the students a working knowledge of the physical world and an appreciation for the laws of nature and science and an appreciation for scientific logic.

Biology: The course in biology contains a study of the following: cell structure and function; plant and animal diversity; microbial life; heredity; and disection of the systems of cat anatomy.

Chemistry: This science is mainly concerned with the study of chemical calculations; families of metal; carbons, non-metals; and a qualitative analysis.

Physics: Physics is a science with covers the nature of matter and energy; machines; thermal expansion; wave motion; color; magnetic effects; and magnetic induction.

Physical Science: Physical science is required of all ninth graders. It includes the fundamentals of elements; astronomy; formulas; acids, bases, and salts; mechanics; and sound.

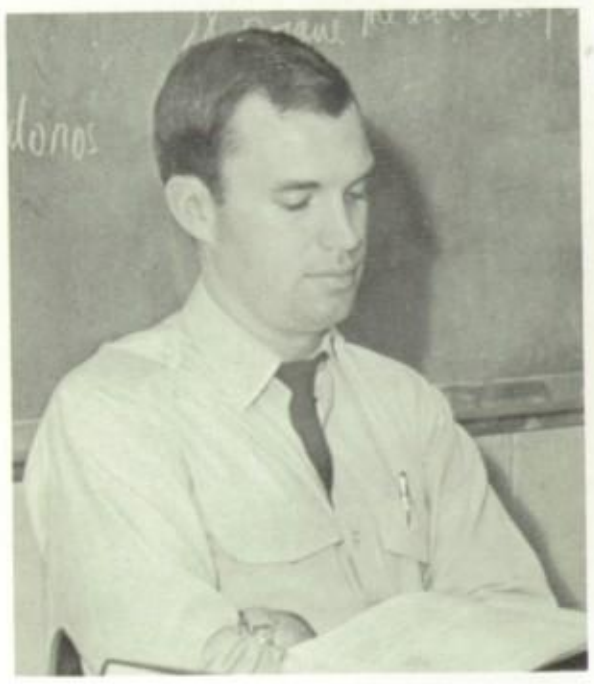
LANGUAGES



Captain Blair

The courses in foreign languages are designed to develop (1) the understanding of spoken languages, (2) the power to express orally one's thoughts in the foreign language, (3) the ability to read without translating, (4) the ability to write accurately, (5) appreciation of the cultures of the civilizations which utilize the languages, and (6) the student's facilities with the language arts, including his native tongue.

To accomplish these aims all the courses are conducted in the language of the country as much as possible. Much will depend upon the maturity and the aptitude of the classes involved. In this way a student overcomes his natural shyness at pronouncing a foreign language. Gradually, by discussion, the student learns about the people and their culture and eventually becomes so interested that he is stimulated to seek further study in the language.

SOCIAL STUDIES

Major Stacy

The Social Studies Department at University Military School is attempting to give U.M.S. students a broadly based understanding of the history of Western Civilization and more specifically a history and appreciation of his own heritage as an American. In order to equip U.M.S. graduates with a knowledge and wisdom needed to cope with the complexities of his culture, a complete study of political science, economics, religion, and philosophy is required for graduation.

It is the intention of the humanities program to prepare a U.M.S. student for the future by giving him the ability to become an individual thinker and not merely a reflection of the propaganda and moods of the time.

The U.M.S. graduate who has taken full advantage of all elective and required social studies offered by this institution should have developed a foundation for a sound philosophy of life and a value system that is both wholesome and lasting. It is the ultimate objective of University Military School to produce better citizens for the future through a thorough understanding of the past.

ELECTIVES

The term "Electives" covers a number of courses offered U.M.S. which enrich and broaden the student's curriculum. These areas of study are not designed to fill out curriculum; their purpose is to serve as a valuable tool for study in other fields. These courses include typing, slide rule, creative writing, mechanical drawing, and speech.

LIBRARY

Miss Payne

The U.M.S. library is a modern, fully equipped unit serving some 300 students daily. The library's primary function is to supply materials that will facilitate both student and faculty research. In addition it must provide necessary information for more extensive research by faculty members. These materials consist of volumes, reference works, charts and maps, and tape recordings. They may be used by any student for assigned and, in most cases, unassigned work.

The head librarian, Miss Payne, a graduate of the University of Alabama, has as assistants members of the student body. In charge of the elementary library is Miss Huey. Together, these two are responsible for some 8,500 volumes, ranging from fiction to reference.

The library operates on a flexible $1,500 budget each year. The bulk of this amount is used in securing new materials, and in improving the existing facilities.

In order to meet the increased needs of a growing student body the library must expand. Not only will necessary materials be obtained, but a physical addition is being considered, and expansion may take place within the next two years.

Miss Huey

MUSIC

Captain McCollum
Director of Vocal Music

The music department of University Military School is divided into two sub-departments. The first of these is the vocal section. It is headed by Captain Gerald McCollum, a graduate of the University of Southern Mississippi. He received his masters at Florida State University. Captain McCollum has been a member of the U.M.S. faculty for the past five years.

The outstanding Cadet Chorus consists of boys in grades seven through twelve. The elementary counterpart of this is the Singing Cadets. These two groups perform in various programs around Mobile. In the spring the Cadet Chorus tours some section of the Southeast.

The instrumental section is directed by Captain Fred Addison. The band is organized under the principles of a military band. It works with the Crack Platoon at football games and at Mardi Gras. The band can be seen practicing every day for such things as Homecoming, Confederate Memorial Day, and joint performances with the chorus.

The department does a fine job of teaching and emphasizing the fundamentals of music. All the boys are exposed to both instrumental and vocal music at some time during their study at U.M.S.

Captain Addison
Director of Instrumental Music

PHYSICAL EDUCATION

Excercises are necessary to stay physically fit.

Captain Gatwood

Something new was brought into the physical education department this year. The coaches lecture on the rules and fundamentals of certain sports. After practicing under the supervision of the coaches, the students divide into teams. The boys develop a thorough knowledge of the sport and are tested on it at the end of the grade period.

CAFETERIA STAFF

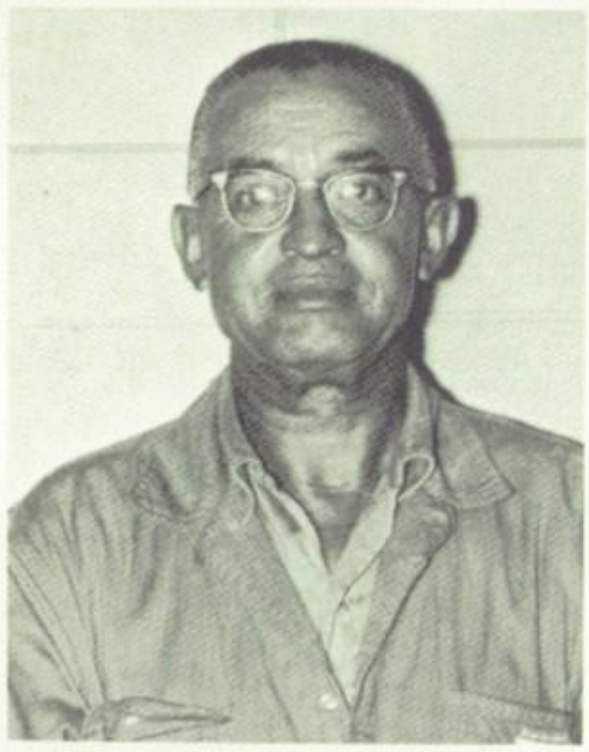
Miss Jones

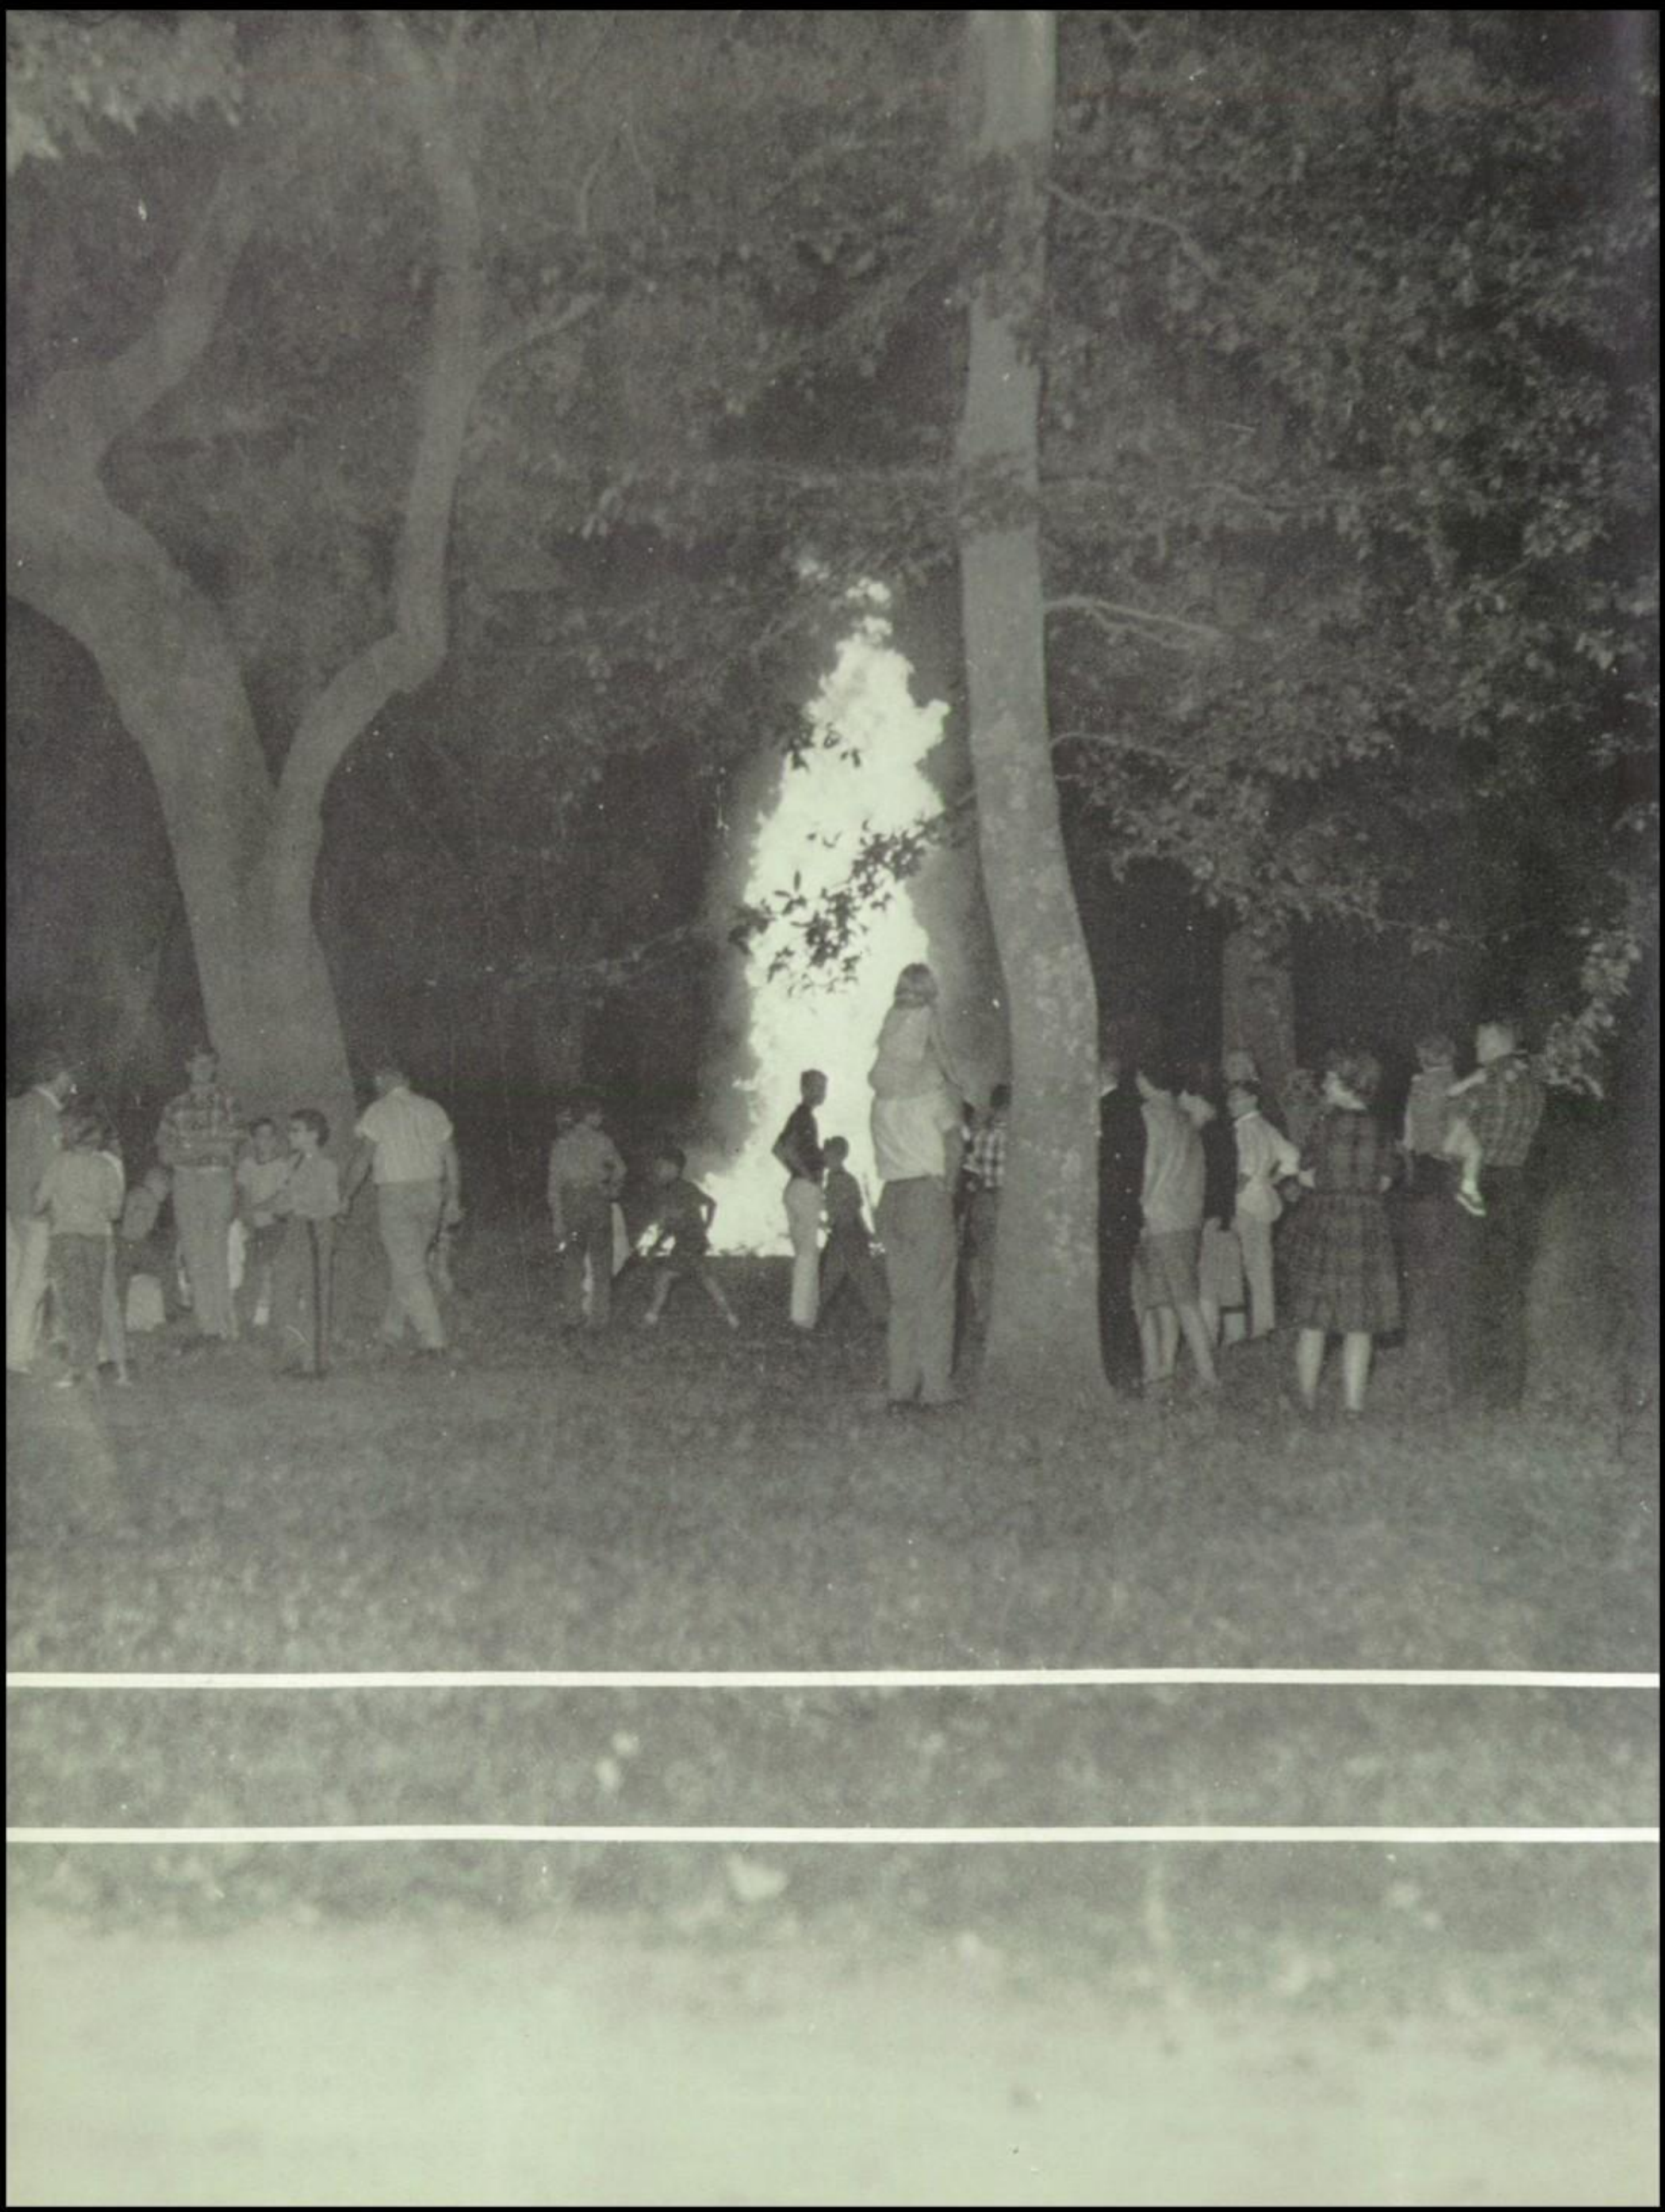
One of the most difficult tasks in the school belongs to Miss Jones and her staff. That task is to prepare a hot, nourishing noon meal for everyone at U.M.S. In addition, the staff serves the dormitory students three meals a day, seven days a week. All the equipment of the cafeteria is owned by the school, but the food and personnel are handled by Morrison's Food Service, Inc.

MAINTENANCE STAFF

Major Filippini

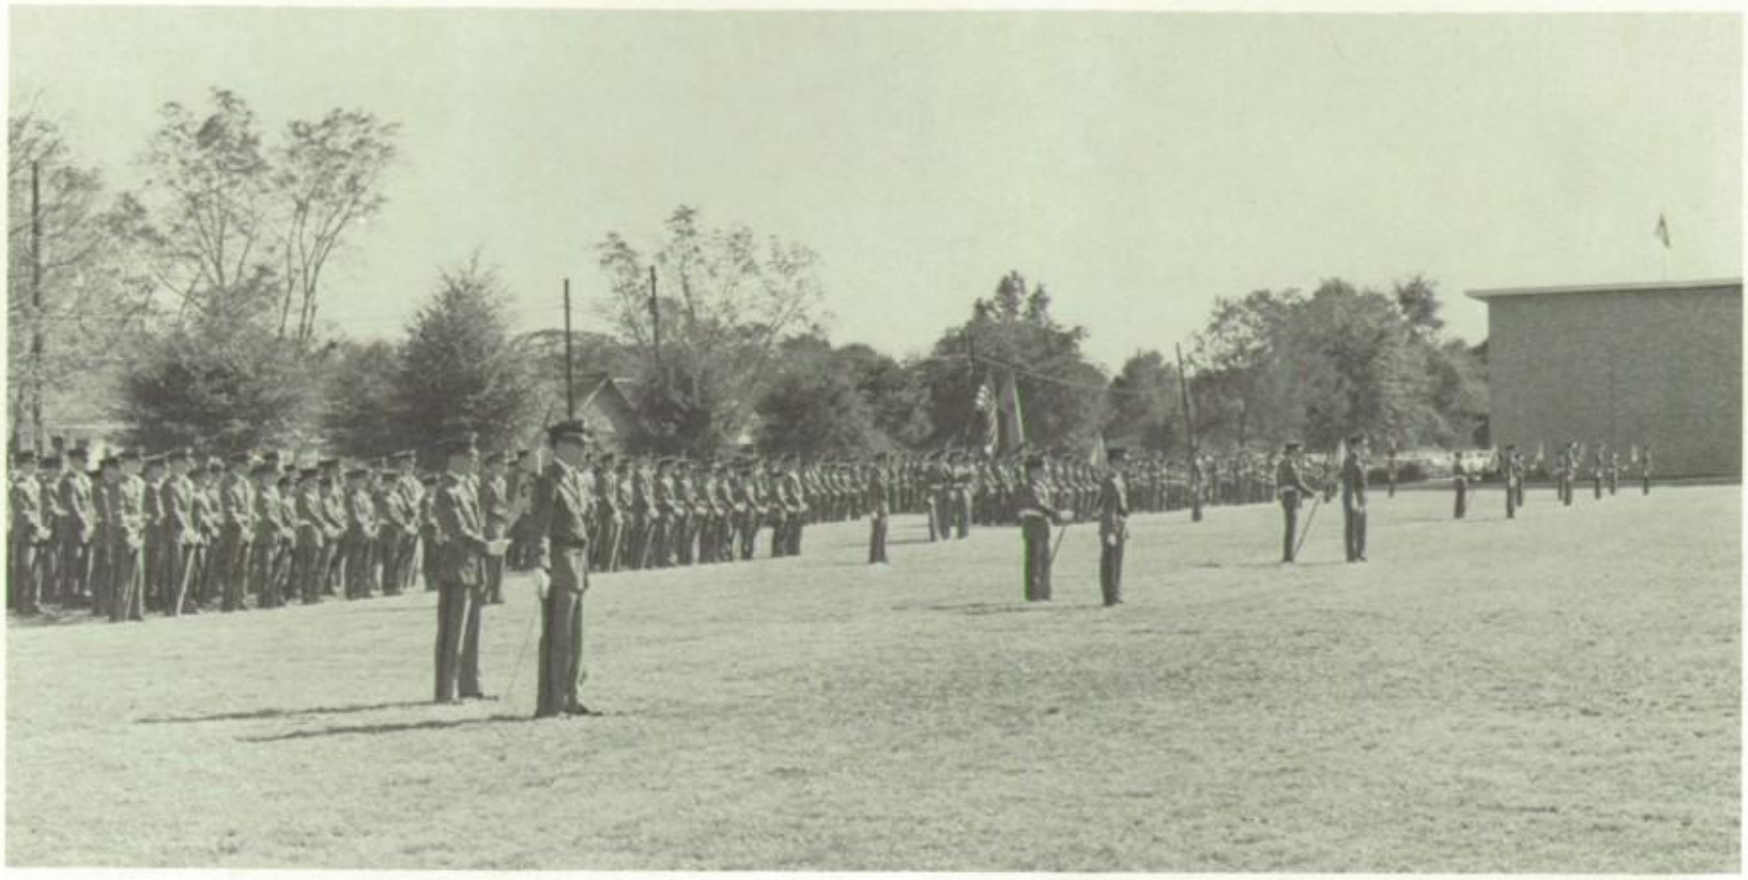
The task of keeping U.M.S. in operation throughout the year falls to the maintenance staff. Theirs is a job that is taken for granted by students, faculty, and administration, but one that is of vital importance.

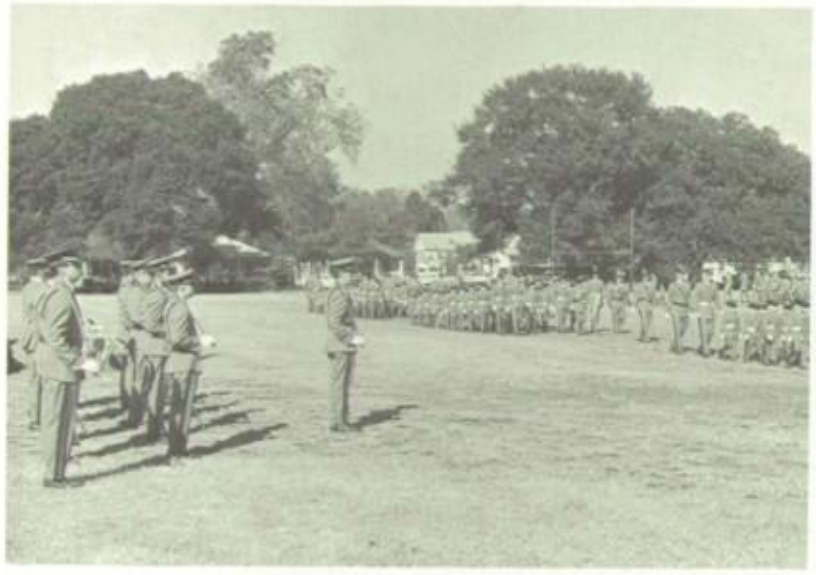




ACTIVITIES

HOMECOMING—1966





The company and battalion sponsors.

HOMECOMING—1966

Homecoming activities this year were held on Friday, November 4, 1966. After the Battalion Parade on the drill field, guests moved into the new David R. Dunlap Chapel-Auditorium for the formal dedication of that building.

Mr. Ben H. Harris, chairman of the U.M.S. Board of Trustees, made the dedication speech. A reception and social hour then followed in the cafeteria. The U.M.S.-McGill football game closed the Homecoming celebration that night at Ladd Stadium.

The Court Musicians entertain during the Senior Class Play of 1966, "King Arthur's Christmas Kapers," performed in the David R. Dunlap Chapel — Auditorium.

The Court Jester, Bill Smithweck, and the Custodian of the Magic Burr, Travis Bedsole, added much to the show.

A dazzling performance by the Black Knight, David Smith.

CHRISTMAS PROGRAM

Both the Cadet Chorus, under the direction of Captain Jerrald D. McCollum, and the U.M.S. Band, under Captain Fred W. Addison, participated in the 1966 Christmas Program. This performance was staged Monday night, December 16, in the Dunlap Chapel-Auditorium. The Chorus portion had also been taped earlier for television broadcast at a later date.

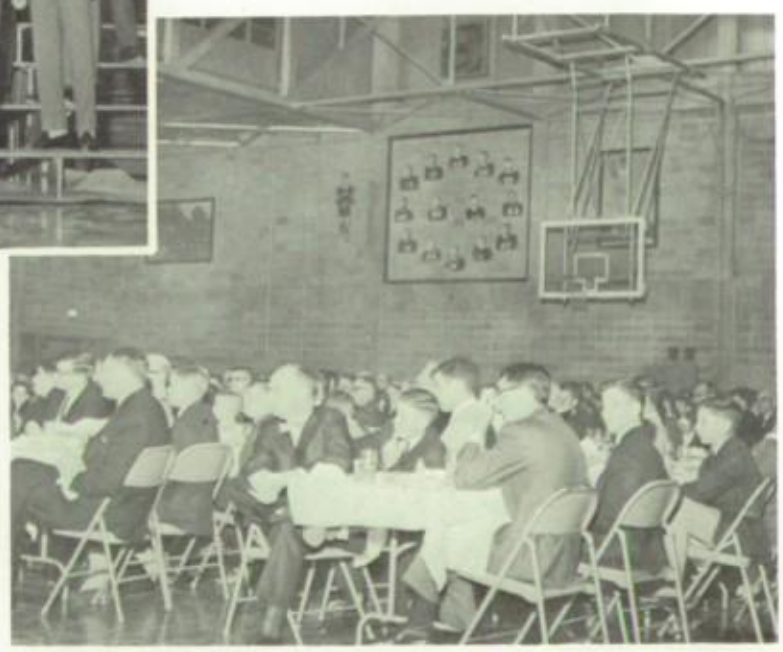
JUNIOR MISS PAGEANT

U.M.S. Seniors formed the Honor Guard at the Municipal Airport for the arrival of the contestants in the 1966 America's Junior Miss Pageant.

1966 FATHER-SON BANQUET

Dr. Frank A. Rose, President of the University of Alabama, delivered the featured address at the Third Annual U.M.S. Father-Son Banquet.

This banquet, a Student Council sponsored project, is held in the spring of each year. Last year, the Troubadours provided the entertainment.



CONFEDERATE MEMORIAL DAY

The Cadets of University Military School have always respected those who fought to preserve their way of life, and for over seventy years have stood to pay homage to their honored dead. The U.M.S. Band, Senior Class, and Colors formed the honor guard at the 1966 ceremonies.

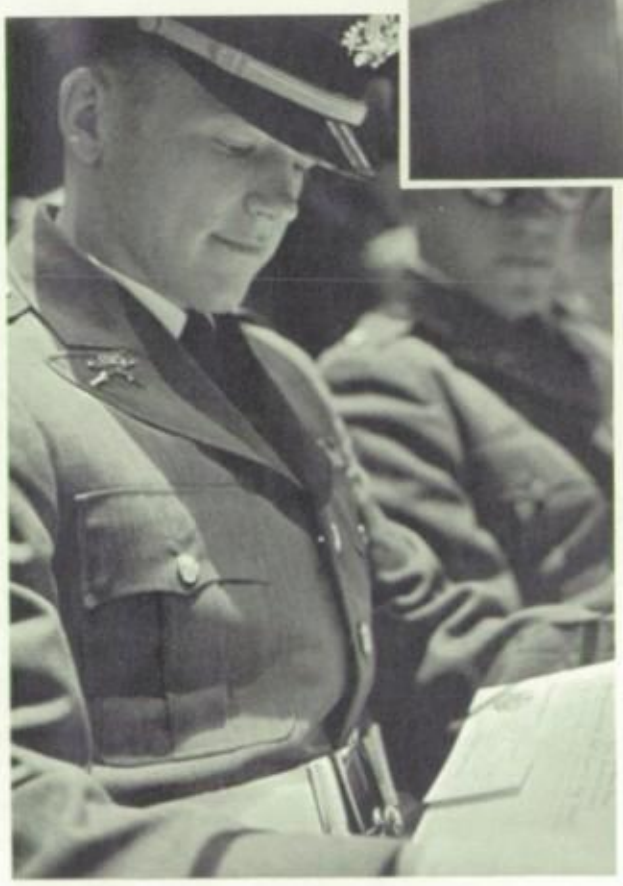
GRADUATION

Cadet Captain Belin F. Bodie delivered the Salutatory Address at last year's Graduation Exercises. Cadet Major Samuel Ellis Trent, Jr., was the Valedictorian.



Graduation was held in the Mobile Municipal Theatre. After programs presented by both the Band and Chorus, Maj. Gen. Emmett Buckner Cassady, USAF Rtd., delivered the principal address.

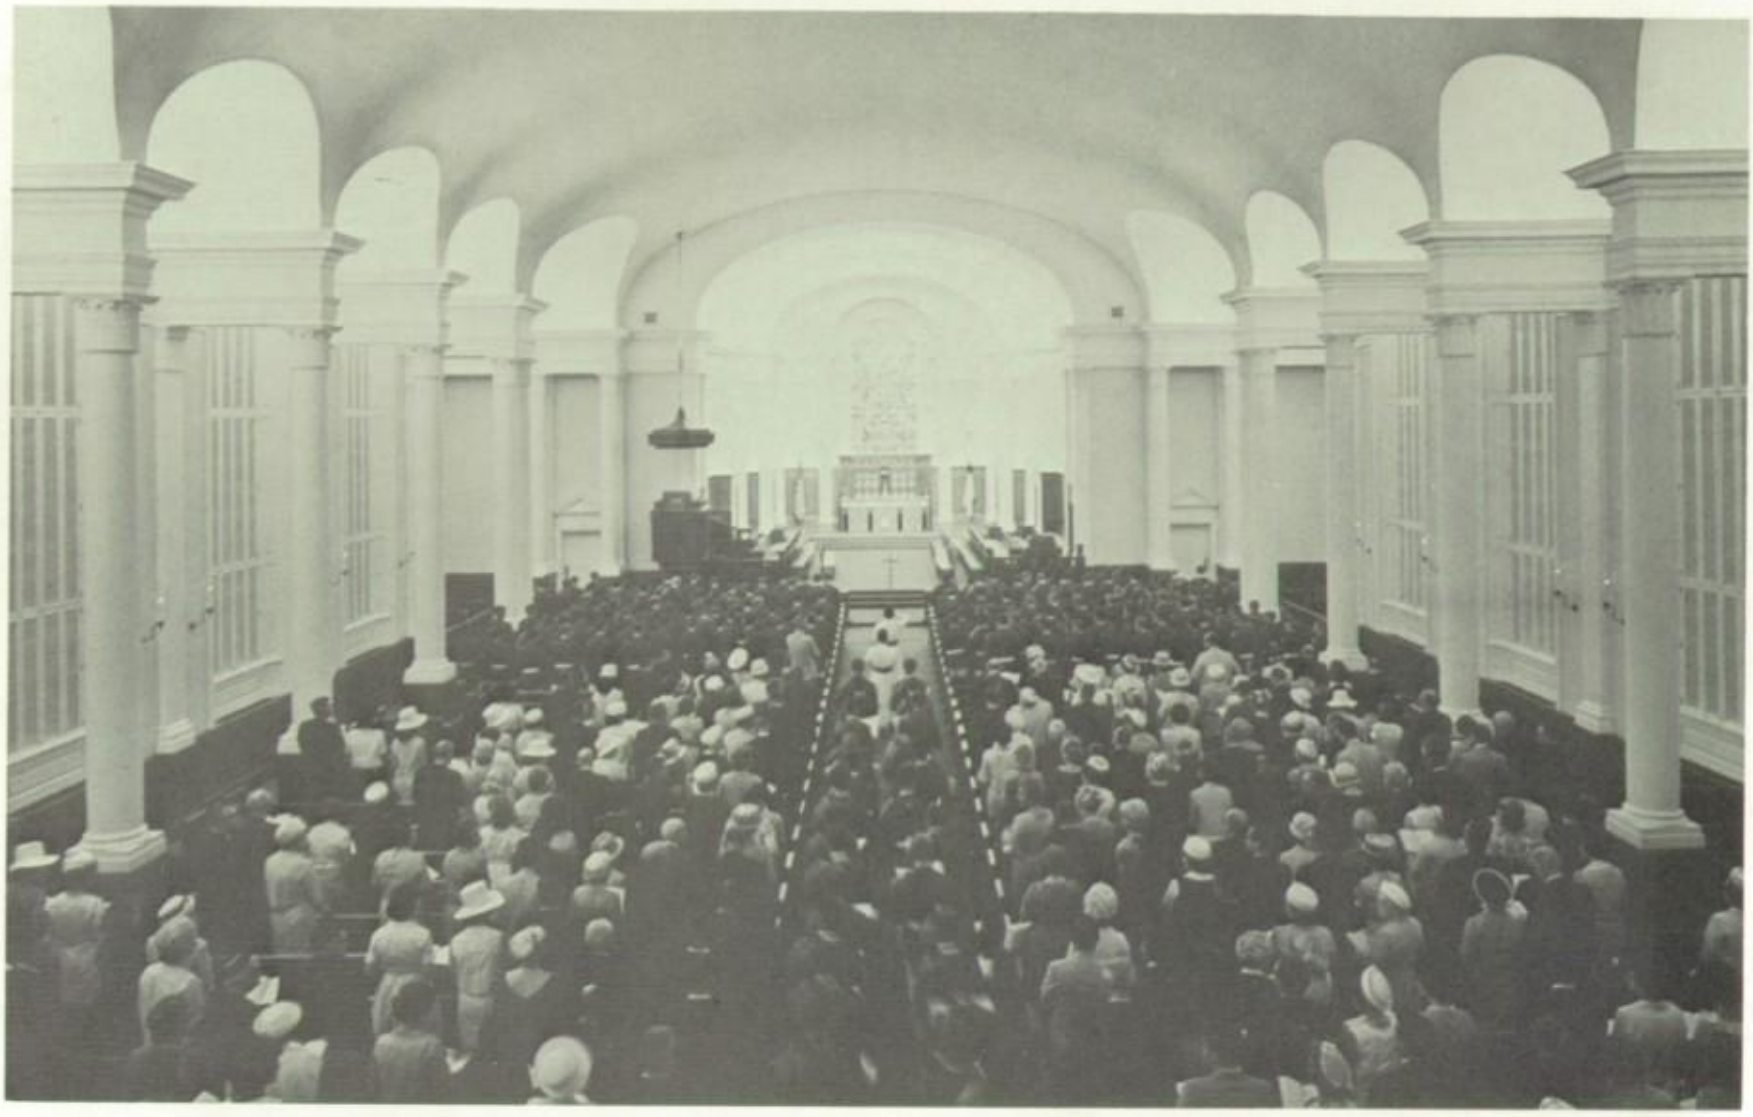
COMMENCEMENT DRILL

The 73rd Annual Commencement Drill Ceremonies of the University Military School were held at Ladd Memorial Stadium on May 20, 1966. Above is Miss Jane Hardesty, escorted by Cadet Major William M. Moore; and at right are the other company and battalion sponsors. Below is a view of the Individual Competition.

COMMENCEMENT DRILL

After the Primary Battalion was presented, the Senior Battalion drilled onto the field. The unit winning the Platoon Competition of Commencement Drill was the First Platoon of "C" Company, commanded by Cadet Lieutenant James K. Lyons. The Squad Competition was won by the First Squad of the First Platoon of "B" Company, commanded by Cadet Sergeant John W. Donald, Jr. Below are the best-drilled cadets in each company and Bryan Delaney, winner of the Individual Competition. At left, Majors Hinson and Stacy present the military awards.

BACCALAUREATE



The Baccalaureate Service is a time for the individual Senior to pause for contemplation and spiritual reflection. It is a time for looking at the past and looking to the future; for thinking of things accomplished and accepting the challenge of years to come. It is a time for memory and a time for dreams. Baccalaureate Service is the Benediction to the Seniors's high school year.

Dr. John M. Crowell delivered last year's Baccalaureate sermon, "Men To Match My Mountains," at the Dauphin Way Methodist Church.

GRADUATION HOP

The 1966 U.M.S. Graduation Hop was held at the Mobile Country Club. Above, Cadet Major Bill Moore enjoys the first dance with his mother. At left is the commander of the best drilled company, Cadet Captain Cobb Rogers, with his date, Miss Cathy Love, and Bill Moore and Miss Jane Hardesty, Senior Battalion Sponsor.

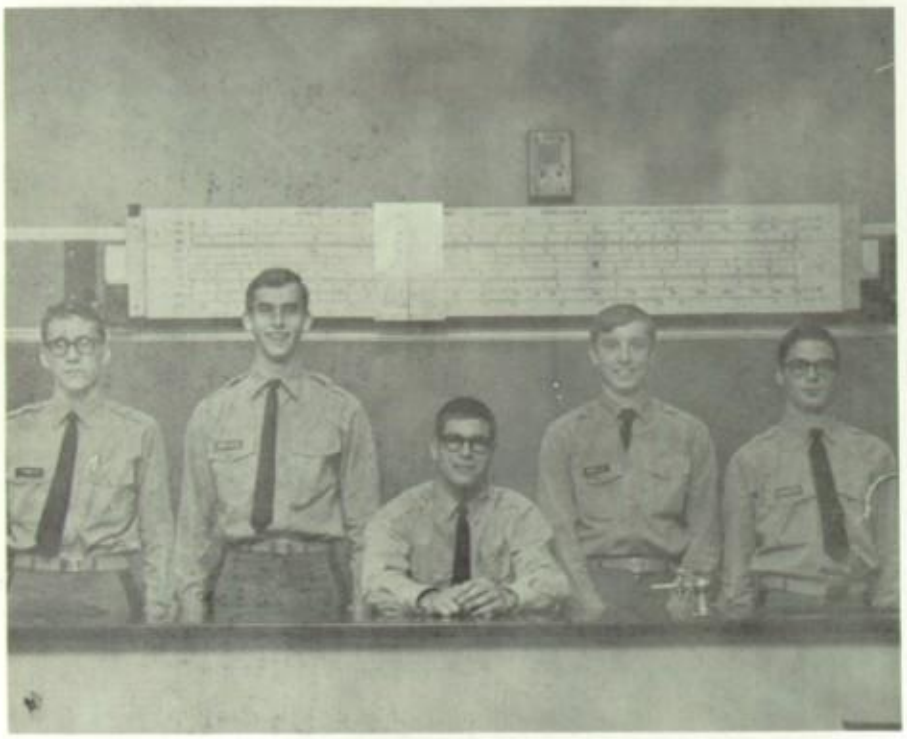
HOP COMMITTEE

KEY CLUB



(Left to Right) Crown, F.; Donald, B.; Hope, J.; Donald, J.; Bedsole, T.

Key Club International is a nationwide service organization made up of young men in high school. Some of its objectives are to develop initiative and leadership, to provide experience in living and working together, to serve the school and community, to cooperate with the school principal, and to prepare its members for useful citizenship.

The president of the U.M.S. club is John Hope. Under his leadership the club has performed the following projects during the past year: given a Halloween party for the children at the Mobile General Hospital, adopted a child in Viet Nam, played several basketball games with other Key Clubs in the immediate Mobile area, supervised home basketball game concessions, placed litter barrels around the campus, and handled donations from the school this past spring for the March of Dimes.

Front Row (left to right): Bedsole, T.; Crown, F.; Sloan, J.; Inge, Z. *Second Row:* Gonzalo Solarano (exchange student): Tappan, D.; Smithweck, W.; Hyman, B.; Gault, C.; Brown, J. *Third Row:* Downing, H.; Donald, B.; Theodore, G.; Hope, J.; Miller, D.; Pipas, J.

Each spring the Cadet Staff for the following year is chosen from grades 9-12. Work on the yearbook begins as soon as school ends, with the sale of advertisements to the Mobile businessmen, whose cooperation is responsible to a large degree for the success of the yearbook. When school resumes, members of the staff work hard to meet deadlines which are set throughout the year, in order to have the yearbook completed by the conclusion of school.

Fred Crown, Business Manager, and Clyde Rouse work diligently after school on the Advertising Section of the "Cadet."

Travis Bedsole ponders on the question of how to draw up pages for his Organizations section.

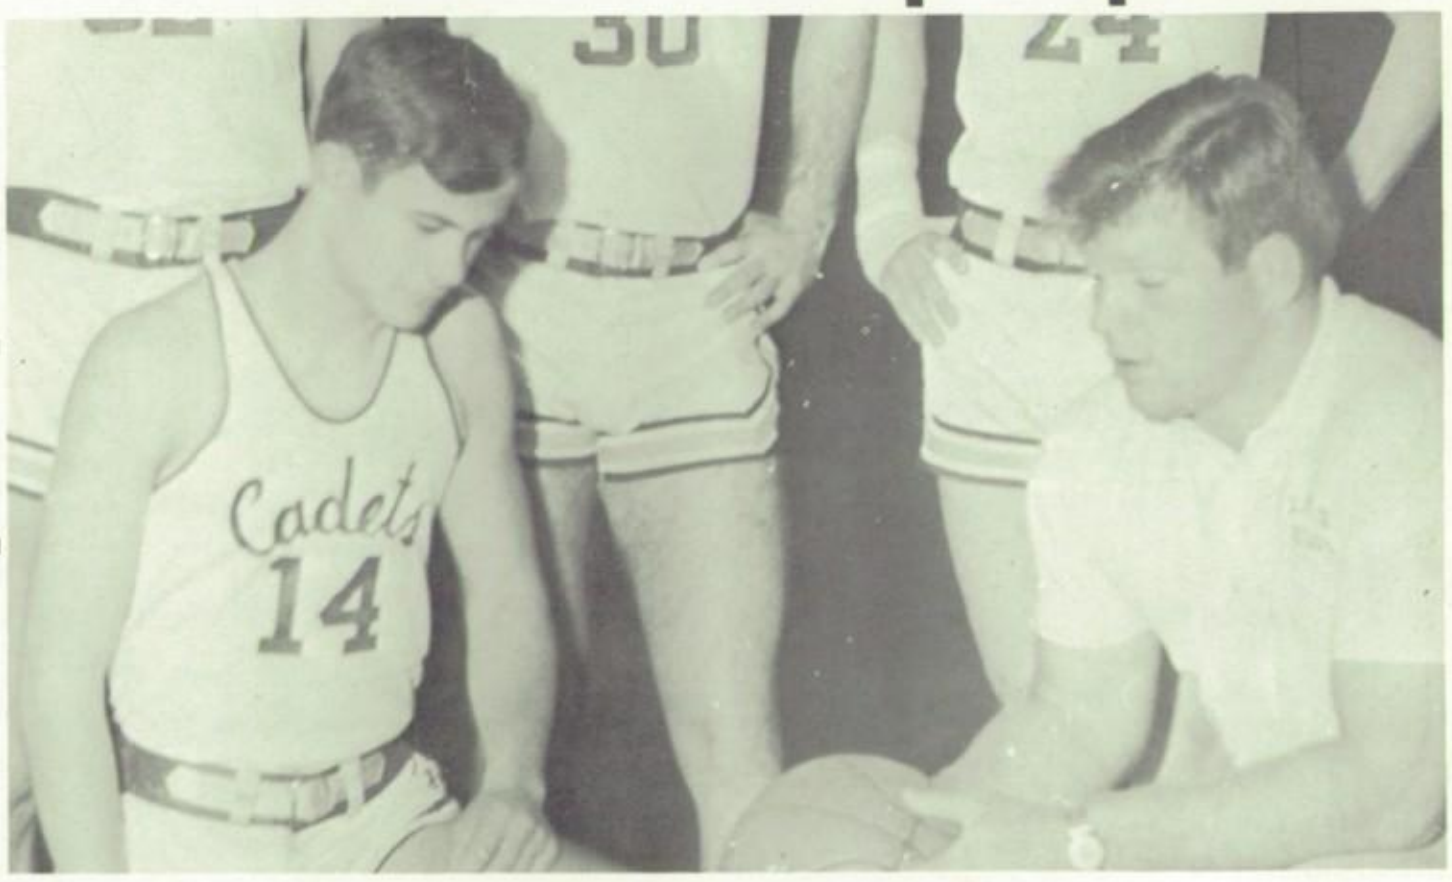
ATHLETICS



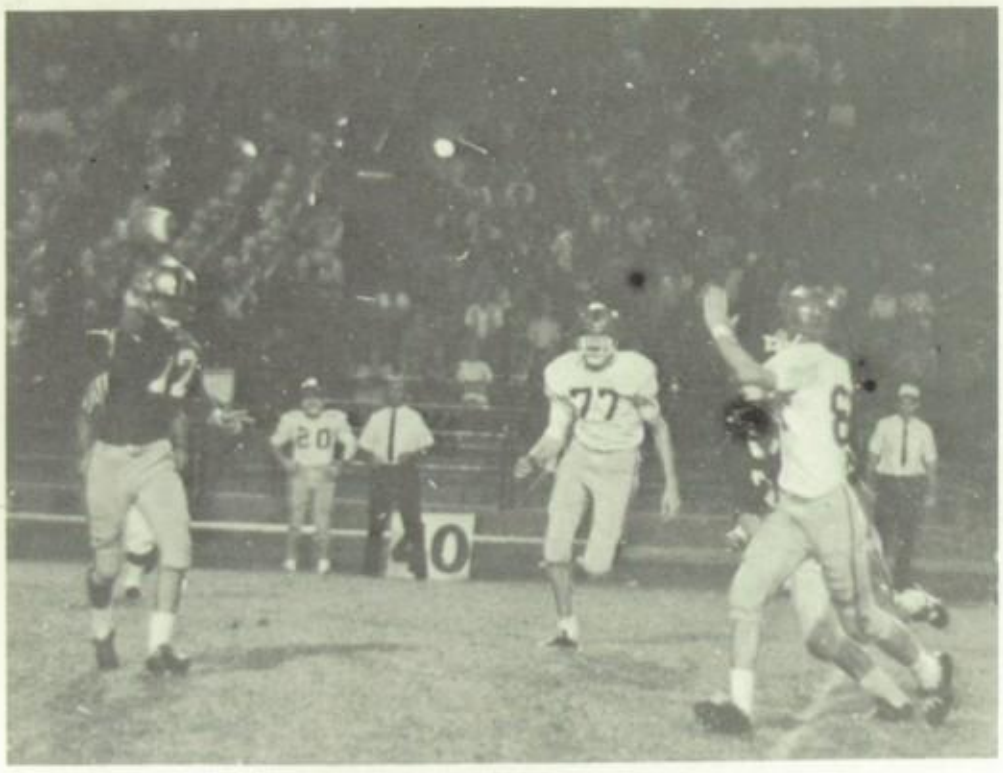
FOOTBALL

This year, the U.M.S. Cadets enjoyed another fine football season. The Cadets, with a record of 5-4-1, posted their fifth straight winning season. The team consisted of mostly Juniors and sophomores, with only eight seniors on the squad. This was the second year for the present coaching staff. Coach Reece Hefner was head coach and again handled the ends. Coach Jim Gatwood was the backfield coach, and Coach Joe Dean was the line coach. The coaches and the team both worked very hard and should be congratulated for another fine season.

First Row, (left to right): Montiel, R., Grady, D., McMullen, P., Crutchfield, F., Walker, L., Pate, R., Hope, J., Brown, J. *Second Row:* Miller, G., Stimpson, F., Warren, J., Hinson, S., Milling, M., Mintz, C., Marques, J., Little, D. *Third Row:* Metzger, L., Bullard, J., Urquhart, D., Jackson, J., Pate, S., Baker, L., Gartman, D. *Fourth Row:* Harris, M., Moss, L., Scott, H., White, L., Greaves, M., Black, M.

Coach Dean, Coach Hefner, and Coach Gatwood

Managers, *(Left to Right)* King, E., Crown, F., Sparks, H., Grant, R.



U.M.S. VS. BAY MINETTE

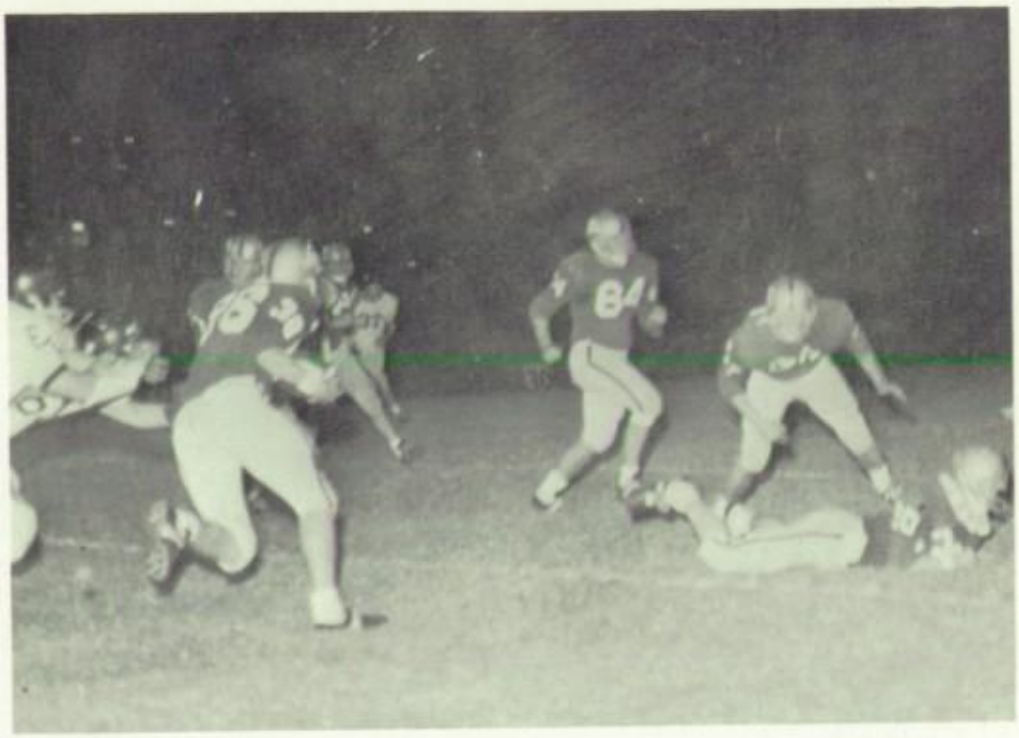
The Cadets opened the 1966 season losing a tough 19-13 decision to the Bay Minette Tigers. Bay Minette scored first when Mike Bullock ran back the opening kickoff for a touchdown. The Cadets then struck back on a five yard run by Larry White. The other Cadet touchdown came on a 20 yard pass from Fred Coats to Joe Bullard. Bay Minette, however, recorded two more touchdowns and the final score was 19-13.

U.M.S. VS. SHAW

The Cadets recorded their first win of the season over the Shaw Rebels by the score of 16-6. U.M.S. scored first on a four yard run by Garret Miller. U.M.S. scored again in the third quarter on a five yard run by Larry White. In the fourth quarter Steve Hinson recorded a safety. Shaw scored their only touchdown in the second quarter and the final score was 16-6.

U.M.S. VS. MURPHY

The Cadets grabbed their second win of the season over the Murphy Panthers by the score of 14-7. U.M.S. scored first on a three-yard run by Garret Miller in the second quarter. The Cadets scored again in the second quarter on a 42-yard pass from Fred Coats to Lindsey Walker. Murphy scored their only touchdown in the third period. The U.M.S. defensive unit played a particularly fine game, holding Murphy to 4 yards rushing.



U.M.S. VS. DAVIDSON

The Cadets ran their record to 2-1-1 with a scoreless tie with the Davidson Warriors. Both teams threatened several times with Davidson going to the Cadet's 13-yard line before missing a field goal. U.M.S. penetrated to Davidson's 20-yard line in the third quarter, and again in the fourth quarter when the Cadets missed a field goal try.

U.M.S. VS. FAIRHOPE

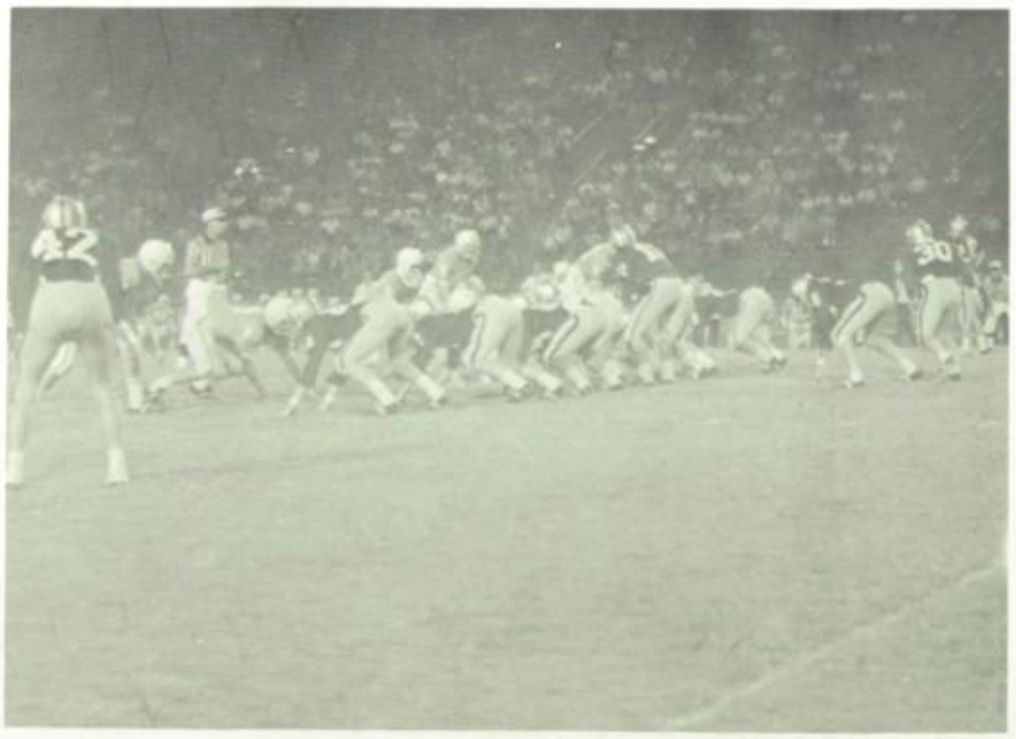
U.M.S. recorded their third win of the season with a 34-0 triumph over the Fairhope Pirates. The Cadets scored first on a 45-yard run by Garret Miller in the first quarter. U.M.S. scored three times in the second quarter with the highlight being a 52-yard scoring pass from Coats to Joe Bullard. The Cadets scored once more in the second half to make the final score 34-0.

U.M.S. VS. THEODORE

U.M.S. recorded its fourth win of the season with a 19-0 triumph over the Theodore Bobcats. U.M.S. scored twice in the first half. Once in the first quarter and again on the last play of the half on a 34 yard pass from Coats to Bullard. The Cadets scored again in the second half to make the final score 19-0.

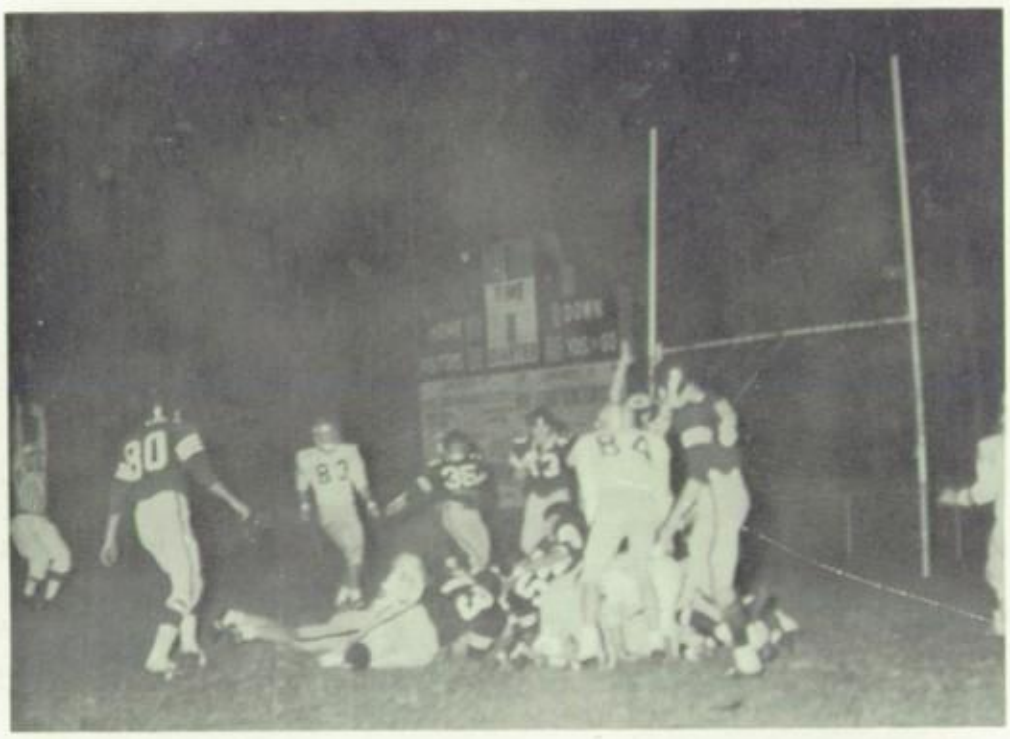
U.M.S. VS. FOLEY

The Cadets absorbed their second loss of the season from the Foley Lions by the score of 21-14. Foley scored once in each of the first two quarters, but the Cadets came back in the second half. U.M.S. got its first touchdown in the third quarter on a 60 yard run by Garret Miller. Both teams scored again in the fourth quarter with U.M.S. getting its final touchdown on a 35 yard sprint by Lee Metzger.



U.M.S. VS. MCGILL

The Cadets took their third loss of the season at the hands of the McGill Yellowjackets by the score of 20-0. McGill scored their first touchdown in the first quarter, and scored two more times in the second half to provide the final margin of victory.



U.M.S. VS. ROBERTSDALE

U.M.S. recorded their fifth win of the season at the expense of the Robertsdale Bears by the score of 21-7. U.M.S. scored first on a 47 yard run by Garret Miller. The Cadets came back to score two more times in the second half. Robertsdale scored their only touchdown in the second quarter, and the final score was 21-7.

U.M.S. VS. MONTGOMERY

U.M.S. lost their fourth game of the season to the Montgomery Vikings by the score of 16-7. The Cadets scored first in the first quarter on a one yard run by Bud Urquhart. Montgomery scored once in the second quarter and added a field goal and a touchdown in the second half to provide the final margin.

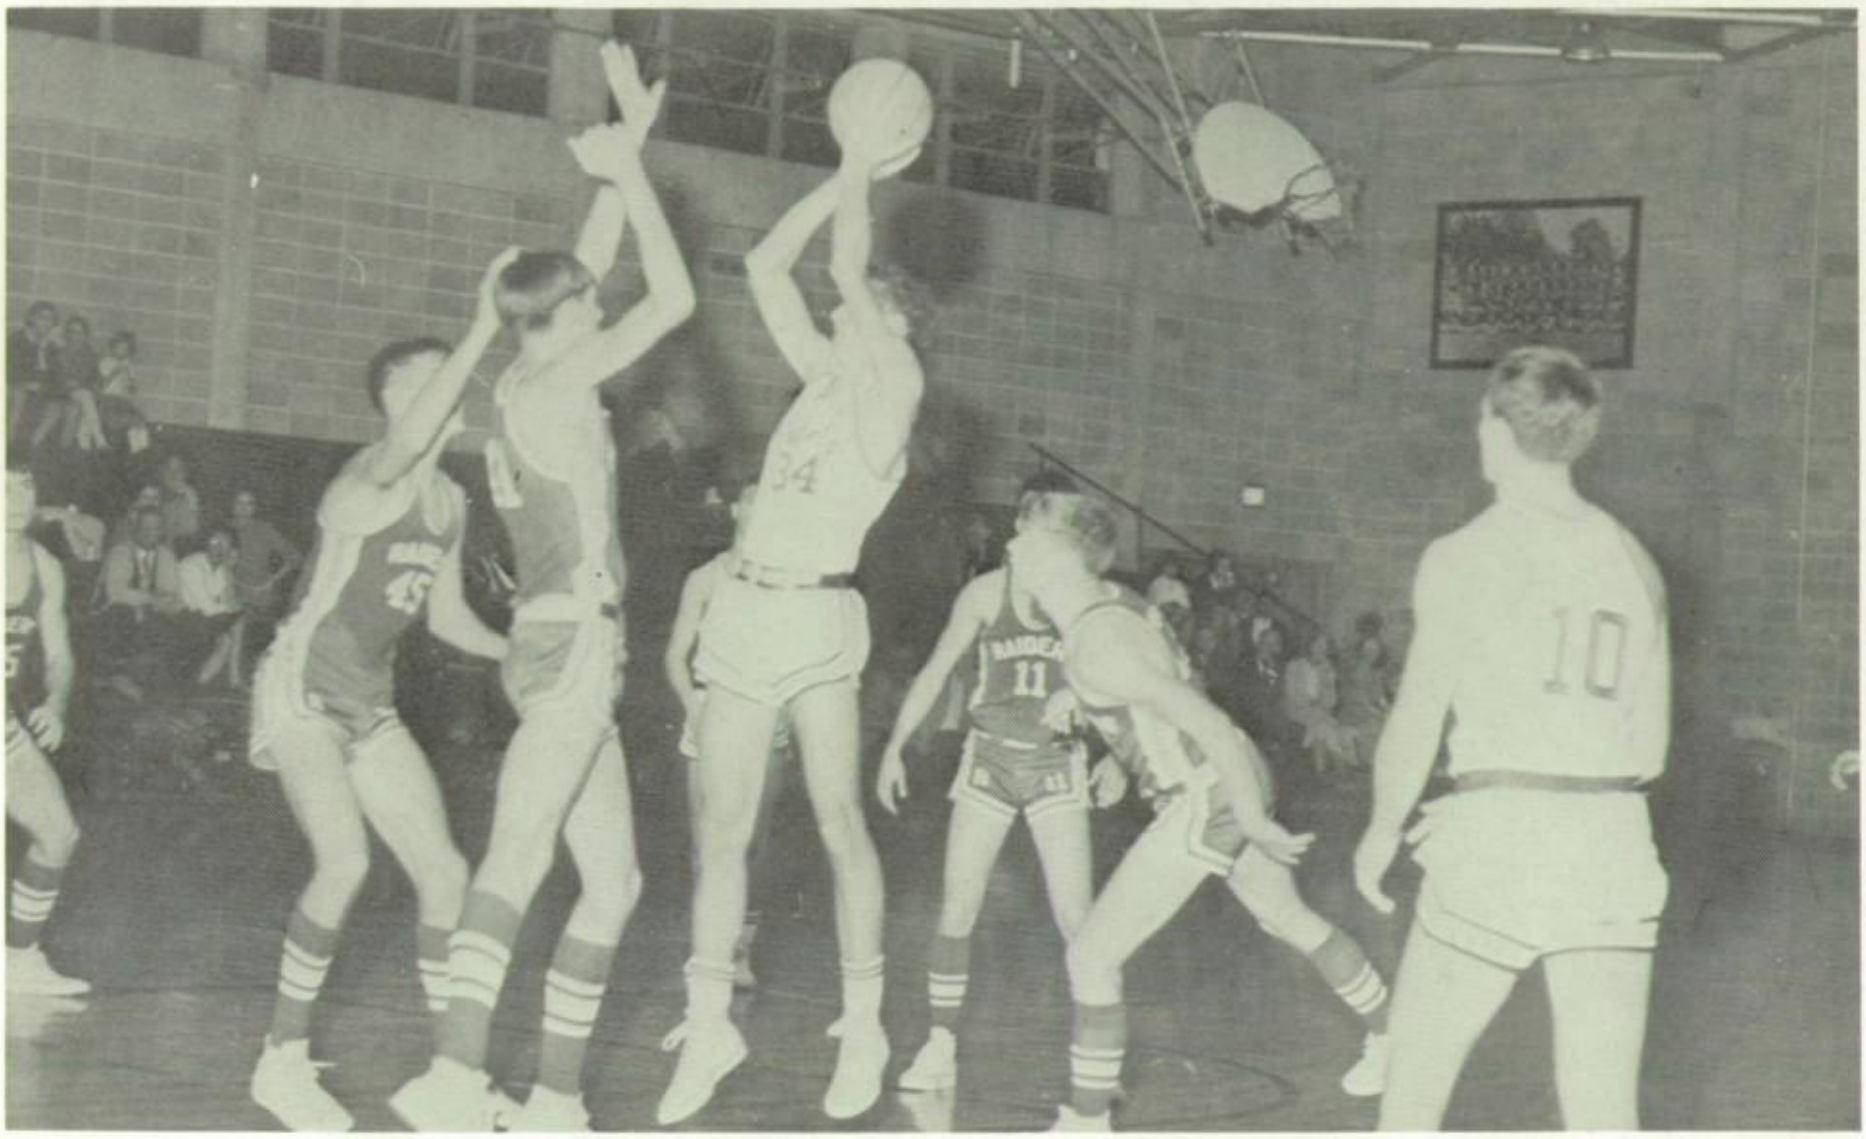
BASKETBALL



This year the U.M.S. Basketball Cadets enjoyed another fine season. This year was Coach Joe Dean's first year as head Basketball coach. All five starters returned from last year's team along with some players from last year's Junior Varsity team. The team was at the top of the conference and chances were very good that the Cadets would represent this Region in the State Tournament.

PHYSICAL EDUCATION

The Physical Education program at U.M.S. has undergone many changes this year. More emphasis is being put on instruction in sporting activities than ever before. Before the actual playing of a sport, a cadet is lectured to by one of the coaches on techniques and rules involved. This is true on both high school and elementary levels. These factors lend to the best Physical Education program ever at U.M.S.
